Faculty Senate President Paris, the following candidate from the College of Arts & Sciences has completed all requirements for the degree as indicated.

I move that the Senate recommend this candidate to the Board of Trustees for their awarding of the appropriate degree and consider them as a May 2018 graduate. After review of the record, they have completed all necessary graduation requirements. The rationale has been included for the student.

The College of Arts Sciences strongly sponsors this request.

### **Bachelor of Arts**

Eli A. Gitelman, Chicago, IL; A second minor was dropped from his degree record and no longer required additional course work. The dropping of the second minor completed his degree requirements given that only one is required for the Bachelor of Arts degree.

Re: Corrections to May 2018 Graduation List

Please find below corrections to my Memorandum of May 17, 2018 presenting Graduate College candidates for degrees.

Maxwell Blake has completed all the requirements for the Doctor of Physical Therapy degree, but was inadvertently left off the list. Please add him to the May 2018 graduates.

Jason D. Oziemina has also completed the requirements for the Doctor of Physical Therapy degree, but was left off the list. Please also add him to the May 2018 graduates.

Thank you for your attention in these matters. Please let me know if you have any questions.
