Re: ADD TO MAY 2019 GRADUATION LIST

Please accept this request to add the following student to the May 2019 graduation list for the Grossman School of Business. Due to an administrative error, the student was removed from the original listed conferred by the Faculty Senate. However, it has been confirmed that all degree requirements have been satisfied for the Bachelor of Science degree in Business Administration.

He was accidently left on the Bachelor of Science graduation list, but has actually completed a Bachelor of Arts degree in Psychological Science. He should be removed from the Bachelor of Science listing and added to the Bachelor of Arts.

Re: Degree Memo Correction

On May 16th 2019, the College of Education and Social Services submitted a list of pending May graduates for degree conferment. On this list, the name of one student was incorrectly reported. Please accept this notification that Christina M. Tagge is the correct name for the student initially listed as Christopher M. Tagge.

The diploma is correct, and there is no notification required to the student. We do, however, want the Faculty Senate minutes to reflect the correct name.

Thank you.
