

# To Deactivate an Existing Course

1. Go to the CourseLeaf website located here:

<https://catalog-next.uvm.edu/courseadmin>

-all salaried faculty and staff have access to the system (via net ID and password)

-you must enable cookies to access the system

-opening with Internet Explorer is NOT recommended as it seems to cache an old version of the form

2. Log on with your UVM netid and password.

3. Find the course using the Search function:

4. Highlight the course to be deactivated:

Course Code	Title
SOC 001	Introduction to Sociology
SOC 009	Small Group Comm
SOC 011	Social Problems
SOC 014	Deviance & Social Control

5. Click the Edit/Deactivate button:

6. Click Deactivate at the top of the form:

Course Status

Active  Deactivate

7. Enter a reason for deactivating the course:

Course Status

Active  Deactivate

Reason for  
Deactivating the  
course

8. When you have finished your work, click Save & Submit:

9. After submitting your form, you can see the workflow path it will follow, and where it is in workflow. The individual at the next stop will receive an e-mail indicating that your form is ready for review/approval. You can log in to the system periodically to see its progress. When it has completed its entire workflow, you will get an e-mail notification.
