Register to Vote!

Students are allowed to vote where they attend school, meaning that UVM students may register and vote at their Vermont address! Register to vote or request your absentee ballot using TurboVote. Please note, you may only be registered and vote in one place. Specific instructions for TurboVote can be found on the UVM Civic Engagement website. These instructions walk you step by step through the process of the following:

- Registering to vote (in either Vermont or another state),
- Requesting your absentee ballot,
- Changing your voter registration from one location to another.

Unsure about the status of your voter registration? Check where you’re registered on Rock the Vote.

If you have more questions about voting, please reach out to UVM’s Civic Engagement at ice@uvm.edu.
