QR: Quantitative Reasoning

General Education Requirements

English Writing
Social Science
Natural Science (lab optional)
Humanities
Your Degree Audit
Use Your DEGREE AUDIT

Your Degree Audit is a web-based planning tool that shows progress toward degree completion. We know you’ll find it really helpful!

But…

It does not take the place of working with your advisor to develop a plan to reach your academic and future goals.

Bottom line: A great tool to help track your progress!
GET THE MOST OUT OF YOUR CLASSES

• Read the syllabus and track due dates
• Purchase all books and materials
• Schedule homework/study time
• Follow academic integrity:
  If it’s not yours, cite it. Your assignments, your tests... your original work.

“I don’t want to do a job because I have to. I want to do a job because I want to.”
– Cyma Zarghami ‘88
President of Nickelodeon
This is fine.
