

# ENGAGEMENT OPPORTUNITIES

## CAREER EVENTS

Throughout each semester, students have the opportunity to explore careers and network with alumni through a variety of panels, career fairs, networking breakfasts and much more. To stay up to date on the latest happenings, please read the Grossman Careers weekly newsletter.

## CASE COMPETITIONS

Case competitions develop problem solving, analytical, time management, and presentation skills along with confidence in presenting to a range of business audiences. These competitions prepare students for success in careers, job interviews, and better decision making. Examples of recent case competitions include: John Molson, Montreal; Concordia University; Rotterdam University; University of Washington, Tacoma; University of Arizona, Tucson; and Grossman's Family Enterprise Case Competition (FECC).

## CLUBS & ORGANIZATIONS

Clubs and Organizations are not just fun and social – they are excellent networking and leadership opportunities. GSB offers several student organizations to help students learn, connect, and network outside of the classroom. A few examples include the Accounting Club, Family Business Club, and the Grossman Student Advisory Committee.

## GLOBAL EXPERIENCES: STUDY ABROAD

Business leaders tell us an international experience is critical for leadership roles in today's dynamic global business environment. Studying abroad exposes you to different cultures, traditions and work environments. UVM exchange programs with a business focus include, but are not limited to: University of Western Australia, Perth, Australia; ICN Business School, Nancy, France; Windesheim University, Zwolle, Netherlands; Wirtschaftsuniversität Wien, Vienna, Austria.

## INTERNSHIPS

Internships are a great way to explore careers, gain experience and build skills required for your future careers. Students are encouraged to participate in internships during their time at UVM. If you are interested in pursuing an internship, set up a meeting with an advisor in the Center for Student Success to learn how to get started.

## RESEARCH

In the Grossman School of Business, our experienced faculty members contribute to their disciplines and to the lives of our students. Undergraduate research helps place our students in extremely valuable opportunities. Students work closely with scholars who are experts in their interest area, gaining hands-on experience, receiving direct mentorship and building collegial relationships. To learn more about pursuing a research opportunity, visit [uvm.edu/four](http://uvm.edu/four) in addition to connecting with a GSB faculty member or advisor.

## TEACHING ASSISTANTS/TUTORS

Many business courses offer the opportunity for students to serve as teaching assistants or subject-area tutors. Students who are interested in being a teaching assistant should contact the faculty members for the respective courses. Students who are interested in tutoring opportunities should visit [uvm.edu/academicsuccess/become\\_tutor](http://uvm.edu/academicsuccess/become_tutor) for more information.
