

# Advising Dashboard For Course Registration Advising Health and Society Program

March 23, 2023

## START HERE

### Materials on Health and Society

Each semester the HSOC Program posts a course list advising sheet on the Advising page of its website. Within the course list for any given semester, you will see that the courses are divided into two lists, first the CAS courses and second the non-CAS courses. You need to pay attention to that because students need a certain number of CAS courses for their major as well as overall. You will also see a column marked “Relation to HSOC Major.” That column tells you for each course whether it is an introductory Required course, an Intermediate Core course, an Advanced Core course, the required Methods course, or a major Elective.

HSOC Course List Advising Sheet for Fall 2023

<https://www.uvm.edu/sites/default/files/Health-and-Society-Program/courses/HSOCCourseListAdvisingSheetFall2023C.pdf>

HSOC Course List Advising Sheet for Each Semester

See top of righthand sidebar on HSOC Advising Page:

<https://www.uvm.edu/cas/healthsociety/advising>

### Materials on the College and University Level

There are many changes in the course catalog for Fall 2023. Here are some key resources to help you to navigate the changes.

[CAS degree requirements](#) (for all current students)

[Catamount Core](#) (ONLY for students entering Fall 2023 AND for students who change their degree, such as transferring Colleges)

[Updates for Fall 2023 Registration](#) from the College of Arts and Sciences

- Overview of 4-course digit numbers
- Degree Audit Problems (there’s a form to fill out to report errors in degree audits)
- Finding Gen Ed Designations (i.e., D1, D2, etc. no longer displayed in course title)
- Finding Interdisciplinary courses (HSOC, etc.) in the Schedule of Courses (the “SOC”) (cross-lists largely eliminated, using “see also” instead)

[Course renumbering widget](#) (find out the new 4-digit number for any 3-digit course)

[SOC Advanced Search Tool](#) (to find gen ed courses (e.g., D2, SU, etc.) and courses by prefix (e.g., ANTH, SOC, etc.))

[Classic SOC](#) (identify “see also’s” for interdisciplinary programs)

# HEALTH AND SOCIETY CATALOG CHANGES

In the pages below, you will find:

The NEW TABLES for:

- HEALTH AND SOCIETY B.A. (page 2)
- HEALTH AND SOCIETY MINOR (page 7)

TABLE OF NEW AND OLD HSOC COURSE NUMBERS (page 10)

## HEALTH AND SOCIETY B.A.

[All students must meet the Degree and University Requirements.](#)

[All students must meet the Catamount Core Curriculum Requirements.](#)

[All students must meet the College Requirements.](#)

## Major Requirements

Students who are pursuing the B.A. in Health and Society are required to take at least 84 credits of coursework in the College of Arts and Sciences.

Navigating a cross-college major, multiple majors, or dual degrees can be complex, so all Health and Society majors should meet with an academic advisor to ensure their course plans are suitable.

33 credits in major courses, including:

---

<b>CORE INTRODUCTORY COURSES. 9 credits.</b>		
HSCI 1100	Introduction to Public Health	3
HSOC 1600/SOC 1300	Health Care in America	3
HSOC 1700/ANTH 1190	Global Health Devel & Diversit	3
<b>INTRODUCTORY METHODS. 3 credits.</b>		
Choose 1 of the following:		3

STAT 1110	Elements of Statistics	
STAT 1410	Basic Statistical Methods 1	
<b>CORE INTERMEDIATE COURSES. 6 credits.</b>		
ARTS & SCIENCES (CAS) INTERMEDIATE COURSES. 1-2 courses/3-6 credits from the following:		3-6
ANTH numbered 2170 to 2199		
ANTH 2170	Culture, Health and Healing	
ANTH 2181	Aging in Cross-Cultural Persp	
ANTH 2191	Foundations of Global Health	
ANTH 2205	Gender Sex Race & the Body	
PSYS 2500	Psychopathology	
SOC numbered 2260 to 2339		
SOC 2260	Crim Justice & Public Health	
SOC 2300	Population Health Research	
SOC 2320	Sociology of Death & Dying	
SOC 2335	Gender, Sexualities & Medicine	
NON-CAS INTERMEDIATE COURSES. Up to 1 course/3 credits from the following:		0-3
HLTH 2050	Cultural Health Care	
HLTH 2070	Human Health & the Envirnmt	
HSCI 2300	Health Promotion	
HSCI 2500	Health Communication	

HSCI 2600	Racism and Health Disparities	
NFS 2114	Human Health in the Food Syst	
NFS 2143	Nutrition in the Life Cycle	
NR 2810	Environmental Justice	
<b>CORE ADVANCED COURSES AND METHODS. 6 credits.</b>		
CAS ADVANCED COURSES. 1-2 additional courses/3-6 credits from the following:		3-6
ANTH numbered 3170 through 3199		
ANTH 3192	Anthro Research Global Health	
ANTH 3475	Research in Hum Biol Diversity	
ECON 3850	Topics in: Health Economics	
ECON 4850	Topics in: Health Ec (W)	
POLS 3490	Health Politics and Policy	
PSYS 3510	Intro to Health Psychology	
SOC numbered 3300 through 3339		
SOC 3300	Health: Race, Class, & Gender	
SOC 3335	Sociology of Reproduction	
METHODS. Students are encouraged to take one advanced Methods course with a health-related project or placement. Choose up to 1 additional course/3 credits from the following:		0-3
CAS Advanced Methods:		
ANTH 3130	Ethnographic Field Methods	
ANTH 3192	Anthro Research Global Health	

ANTH 3475	Research in Hum Biol Diversity	
GEOG 3505	Spatial Analysis	
POLS 4310	VT Legislative Research Srvc	
SOC 3500	Qualitative Research Methods	
Non-CAS Advanced Methods:		
EDFS 3090	Intro to Research Methods	
HSCI 3300	Hlth Promotion Prog Plan/Eval	
STAT 3000	Med Biostat&Epidemiology	
NON-CAS ADVANCED COURSES. Up to 1 course/3 credits from the following:		0-3
CSD 3200	Culture of Disability	
HSCI 3100	Epi, Pub Hlth & Emerg Disease	
NFS 5245	Nutrition for Global Health	
NR 3360	Women, Health and Environment	
<b>ELECTIVE COURSES. 9 credits.</b>		
<p>Course offerings for Health and Society vary frequently and often include Special Topics, Topics In, and Honors College courses. Before registration each semester, a list of eligible courses is posted as a See Also list in the Schedule of Courses (Classic Version). Many of those courses will not show up immediately in students' degree audits. The courses listed in this table are always eligible and should automatically be applied in degree audits.</p>		
INTERMEDIATE LEVEL OR ABOVE CAS ELECTIVE. 1-3 additional courses/3-9 credits in CAS courses at the 2000-level or above chosen from eligible courses, which regularly include:		3-9
ANTH 2242	People, Poison, Place	
GEOG 2550	Qualitative Research Methods	

HST 2790	The Holocaust	
PSYS 3505	Behav Disorders of Childhood	
REL 2652	Mysticism & Shamanism	
SOC 2220	Sociology of the Holocaust	
SOC 3332	Transgender Studies	
ANTH numbered 2170 to 2199, PSYS 2500, SOC numbered 2260 to 2339		
ANTH numbered 3170 through 3199, ECON 3850, ECON 4850, POLS 3490, PSYS 3510, SOC numbered 3300 through 3339		
OPEN ELECTIVES. Up to 6 additional credits chosen from eligible courses and experiences, which regularly include:		0-6
CAS Courses: ANTH 1100, ANTH 1400, ECON 1400, ECON 1450, PSYS 1400, REL 1650, SOC 1320, SOC 1500		
Non-CAS Courses: ASCI 1090, CDAE 1020, HSCI 1200, HSCI 1300, NFS 1043, SWSS 1040		
Special Topics (CAS): HSOC 1990, HSOC 2990, HSOC 3990, HSOC 4990		
Internship (CAS): HSOC 2991, HSOC 4991; or CAS 2920 or CAS 2991 with an appropriate placement		
Teaching Assistantship (CAS) : HSOC 2994, HSOC 3994, HSOC 4994		
Undergraduate Research (CAS): HSOC 3995, HSOC 4995		
Honors (CAS): HSOC 4996		
<b>DISCIPLINARY REQUIREMENT</b>		

For interdisciplinary exposure, no more than 21 credits for the major can come from a single course prefix.

## NOTES

Graduate-level courses, including those in Public Health, may be accepted as advanced courses or electives with prior approval from a Health & Society advisor. Graduate courses are often open to upper-level undergraduate students with instructor permission.

Students who are pre-health should take (BIOL 1400 and BIOL 1450) or (BCOR 1400 and BCOR 1450) or (BCOR 1425 and BCOR 2500) to meet their Natural Science Catamount Core Curriculum requirement.

## Restrictions

A maximum of 9 credits may overlap between the HSOC major and the Public Health AMP (e.g., PH 6010, PH 6020, and/or PH 6030). Students may not count both STAT 3000 and PH 6030 toward the HSOC major.

## Pre/Co-Requisites

Introductory and intermediate courses for various subject areas may be necessary to reach some of the courses that can be applied to the major.

## Other Information

In the College of Arts and Sciences (CAS), only one course may overlap between a major and a minor or between two CAS majors.

For a Bachelor of Arts degree, no more than 45 credits in courses with the same departmental prefix may be used toward completion of the 120 credits required for graduation.

At least half of the credits used to complete major requirements must be taken at the University of Vermont.

## HSOC Minor Requirements

Health and Society minors are encouraged to discuss their minor with both an HSOC advisor and their major advisor to develop a plan of study that fits their strengths and interests and conforms with relevant college and university policies.

18 credits in minor courses, including:

---

**CORE COURSES. 12 credits.**

<u>HSCI 1100</u>	Introduction to Public Health	3
Choose 1 of the following:		3
<u>HSOC 1600/SOC 1300</u>	Health Care in America	
<u>HSOC 1700/ANTH 1190</u>	Global Health Devel & Diversit	
METHODS. Choose 1 of the following:		3
<u>STAT 1110</u>	Elements of Statistics	
<u>STAT 1410</u>	Basic Statistical Methods 1	
Choose 1 of the following:		3
<u>ANTH 2170</u>	Culture, Health and Healing	
<u>ANTH 2181</u>	Aging in Cross-Cultural Persp	
<u>ANTH 2191</u>	Foundations of Global Health	
<u>ANTH 2205</u>	Gender Sex Race & the Body	
<u>SOC 2260</u>	Crim Justice & Public Health	
<u>SOC 2300</u>	Population Health Research	
<u>SOC 2320</u>	Sociology of Death & Dying	
<u>SOC 2335</u>	Gender, Sexualities & Medicine	

---

**ELECTIVES. 6 credits.**

Course offerings for Health and Society vary frequently and often include Special Topics, Topics In, and Honors College courses. Before registration each semester, a list of eligible courses is posted as a See Also list in the Schedule of Courses (Classic Version). Many of those courses will not show up immediately in students' degree

audits. The courses listed in this table are always eligible and should automatically be applied in degree audits.

INTERMEDIATE LEVEL OR ABOVE CAS ELECTIVE. 1-2 additional courses/3-6 credits in CAS courses at the 2000-level or above chosen from eligible courses, which regularly include: 3-6

ANTH 2170, ANTH 2181, ANTH 2191, ANTH 2205, ANTH 3192, ANTH 3475, ECON 3850, ECON 4850, POLS 3490, PSYS 2500, PSYS 3510, REL 2652, SOC 2260, SOC 2300, SOC 2320, SOC 2335, SOC 3300, SOC 3332, SOC 3335; ANTH numbered 2170 to 2199 or 3170 through 3199, SOC numbered 2260 to 2339 or 3300 through 3339

INTERMEDIATE LEVEL OR ABOVE NON-CAS ELECTIVE. Up to 1 additional course/3 credits at the 2000-level or above chosen from eligible courses, which regularly include: 0-3

CSD 3200, HLTH 2050, HLTH 2070, HSCI 2300, HSCI 2500, HSCI 2600, HSCI 3100, NFS 2114, NFS 2143, NFS 5245, NR 2810, NR 3360

OPEN LEVEL. Up to 3 additional credits chosen from eligible courses or experiences, which regularly include: 0-3

#### CAS

Courses: ANTH 1100, ANTH 1400, ECON 1400, ECON 1450, HSOC 1600/SOC 1300, HSOC 1700/ANTH 1190, PSYS 1400, REL 1650, SOC 1320, SOC 1500

#### Non-CAS

Courses: ASCI 1090, CDAE 1020, HSCI 1200, HSCI 1300, NFS 1043, SWSS 1040

Special Topics (CAS) : HSOC 1990, HSOC 2990, HSOC 3990, HSOC 4990

Internship (CAS): HSOC 2991, HSOC 4991; or CAS 2920 or CAS 2991 with an appropriate placement

Teaching Assistantship (CAS): HSOC 2994, HSOC 3994, HSOC 4994

Undergraduate Research (CAS): HSOC 3995, HSOC 4995

Honors (CAS): HSOC 4996

### **DISCIPLINARY REQUIREMENT**

For interdisciplinary exposure, no more than 12 credits of courses come from a single course prefix.

## Restrictions

Ineligible Major: Health and Society

## Pre/Co-Requisites

Introductory and intermediate courses for various subject areas may be necessary to reach some of the courses that can be applied to the major.

## Reminders

In the College of Arts and Sciences (CAS), only one course may overlap between a major and a minor or between two minors.

For a Bachelor of Arts degree, no more than 45 credits in courses with the same departmental prefix may be used toward completion of the 120 credits required for graduation. For a Bachelor of Science degree, the maximum is 50 credits.

At least half of the credits used to complete minor requirements must be taken at the University of Vermont.
