GRADUATION CELEBRATION

Class of 2021
UNIVERSITY OF VERMONT HEALTH & SOCIETY COMMENCEMENT MAY 2021

Honoring Health and Society Majors and Minors in the Class of 2021
Welcome, graduates, parents, grandparents, partners, family, and friends to the University of Vermont Health and Society 2021 virtual graduation!
Today we honor our Health and Society 2021 graduates
Our 2021 Graduates:

22 Health and Society Majors

14 Health and Society Minors
Congratulations, Health & Society Graduates!
In grateful appreciation to all parents, grandparents, partners, family, and friends who supported our graduates throughout their lives and college and through this challenging year!
Thank you from your professors!

Your dedication, hard work, creativity, and resilience have been inspiring!

Your compassion for others and commitment to make a difference gives us hope!
With love
from your program directors

Professor Jeanne Shea

Professor Dale Jaffe

Professor Jaffe
Health and Society Major Awards and Honors
Departmental honors in Health and Society are awarded to top students; the criteria include an HSOC major GPA of at least 3.75 and an overall GPA of at least 3.5.

Julia Carlson
Stella Cunningham
Quinn E. DiFalco
Isabelle Ross
Marissa Minadeo
Emily Wilkinson
Outstanding Senior Award

This award is granted to graduating seniors in Health and Society who demonstrate extraordinary academic achievements in the major as evidenced by their GPA, Challenging coursework in the major, and significant participation and leadership in activities related to the intersection between society and health.

Marissa Minadeo
Quinn E. DiFalco
Health and Society

Majors
Julia Asadorian

Major: Health and Society

Minor: Sociology
Jenna Blondin

Major: Health and Society

Minor: Behavioral Change
Health Studies
Julia Carlson

Pronouns: She/Her

Majors: Health and Society, and Political Science

Future Hopes and Plans: I am planning to travel out West to Colorado this summer and then move to Boston, MA. In addition, I am planning to start taking MPH course work this fall.

HSOC Departmental Honors
Urmila Chhetri

Pronouns: She/Her

Major: Health and Society

Minor: Biology

Future Hopes and Plans: I am currently in the accelerated MPH program at UVM. After completing my degree, I hope to implement culturally appropriate mental health services for refugees.
Olivia Cook-Churchill

Nickname: Liv
Pronouns: she/her/hers

Major: Health and Society
Minor: Public Policy Analysis

Future Hopes and Plans: My dream is to work in the health policy industry, creating and advocating for policies that improve U.S. health care and make health systems more equitable. I’m currently applying to jobs all over the country to help me get a jump start on my journey, and I plan to stay in Burlington for the summer!
Stella Cunningham

Major: Health and Society

Minor: Anthropology

HSOC Departmental Honors
Quinn E. DiFalco

Majors: Health and Society, and Individually Designed

HSOC Departmental Honors

HSOC Outstanding Senior

Phi Betta Kappa Honors
Navah Fried

Major: Health and Society

Minor: Writing
Kylie Frost

Major: Health and Society

Minor: Food Systems
Anna Lippman

Major: Health and Society

Minor: American Sign Language
Isabelle Magbie

Nickname: Issy
Pronouns: She/her

Major: Health and Society
Minor: Anthropology

Future hopes and plans: I am continuing my Accelerated MPH until next May. After that, I plan to start school to become an RN!
Katie McDonough

Major: Health and Society

Minor: Human Development & Family Studies
Marisa Minadeo

Pronouns: She/Her  
Major: Health and Society  
Minors: Writing and Nutrition & Food Sciences  

Future Hopes and Plans: After graduation, I will be working as a health communications coordinator at ALO consulting and hope to later apply to an MPH program.

\textit{HSOC Departmental Honors}  
\textit{HSOC Outstanding Senior}  
\textit{Phi Betta Kappa}
Justice Palmer

Major: Health and Society

Minor: Behavioral Change
Health Studies
Angela Pellegrino-Wood

Pronouns: She/her

Major: Psychological Science, and Health and Society

Minor: Sociology

Future Hopes and Plans: I plan to continue my education at UVM and obtain a Master’s degree
Alana Plumb

Pronouns: She/Her/Hers

Major: Health and Society
Minor: Behavioral Change Health Studies

Future hopes and Plans: I’ll be attending Boston University in the Fall to obtain my Masters in Public Health for Health Law & Policy! Not sure where life will take me after, more than likely law school for health law, but I hope to do work with healthcare reform and finding equity in our system.
Isabelle Ross

Nick-name: Belle

Pronouns: She/Her

Major: Health and Society

Minor: Writing

Future Hopes and Plans: In the following year I plan to attend a language immersion program to learn Spanish. I also hope to gain experience working for a global health project abroad. Following that, I plan to study for the MCAT and apply to medical school.

HSOC Departmental Honors
Nathaniel Russell

Major: Health and Society

Minor: Community Entrepreneurship
Tory Schatz

Major: Health and Society

Minor: Biology
Kathryn Skeppstrom

Nickname: Kat
Pronouns: She/her

Major: Health and Society
Minor: Behavioral Change Health Studies

Future Hopes and Plans: This summer I will be an intern at Ronald McDonald House Charities in Richmond, Virginia. Then I plan to pursue a career in non-profit development and use knowledge I gained from the Health and Society program to help those in need.
Natalia Swack

Nickname: Natalia
Pronouns: She/Her

Major: Health and Society

Minor: Biology

Future Hopes and Plans: I am currently wrapping up my time working at UVM's COVID-19 testing center. In the future, I hope to get my MPH and expand and improve health accessibility.
