Frequently Asked Questions

Why do I keep getting system generated e-mails with a Subject line that reads, “Tuition Remission Request Recycled?”
This e-mail would indicate that for some reason the application couldn’t be processed. Read the e-mail thoroughly. There should be an explanation of what is needed for the process to be completed.

Who is eligible to receive Tuition Remission at the University?
Benefits-eligible UVM faculty and staff are eligible for tuition remission. In addition, the dependent children of faculty or staff who have been employed in benefits group A, B or C for one year are also eligible, provided they are full-time undergraduate students who begin their undergraduate degree program before age 21 (with an allowance made for full-time service in the armed forces). What will happen if I don’t submit a request for my dependent’s tuition remission?
The dependent student or his/her family will be responsible for any tuition costs that may be incurred.

What if the dependent drops out or ceases to carry enough credits?
Call the Employee Information Center at 802-656-3150 to speak with someone about your specific situation.
