Vision Wellness

Regular eye examinations play a crucial role in ensuring healthy vision and overall health.

- An eye examination can not only detect vision problems, but also detect the early stages of serious health problems such as diabetes and hypertension
- One in four children has an undetected vision problem that can interfere with learning according to the Vision Council of America
- Undetected eye diseases can lead to worsening eyesight and, in some cases, irreversible vision loss

Your EyeMed Vision Care includes:

- Discounts on exams, lenses, frames, and more
- Access to optometrists, ophthalmologists, opticians, and the nation's leading optical retailers:
