3. Click the yellow link to login with your UVM netID.

4. If you are not logging in from the “Action Item Email” you may need to select “Go to Employee Portal.”

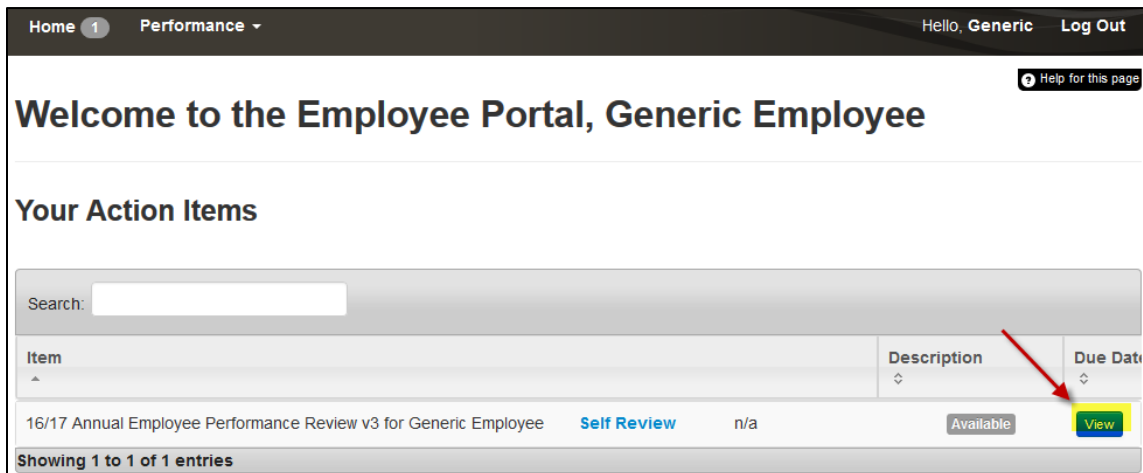

## Completing Your Self Review

**Note:** Only the employee can view information entered into the self-review while the review is in “Draft” form. Once the self-review has been submitted/completed, the supervisor will be able to any view information the employee has entered.

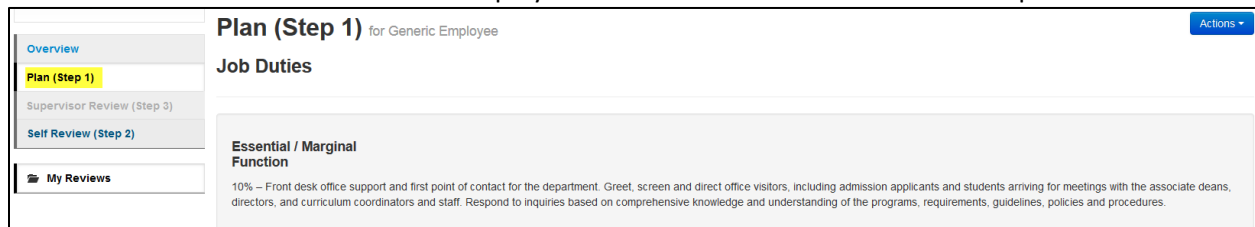

### Home Page Action Items

1. From your Performance Review Home page, you will have one Self Review action item. If you are an employee who is a supervisor, you may have additional action items requesting that you complete reviews for your direct reports. **Note: If you login from the action item email you may be directed immediately to your Self Review action item.**
2. Click the view button on the Self Review action item.

### Review the Plan (Step 1)

1. Click on the Plan (Step 1) tab on the left to view the Review Plan completed by your supervisor for this review period. The will include the components you will access during your review. This includes your Position Description Essential Functions, University Core Competencies, and Current Review Period Goals. Employees have no action items on the review plan.

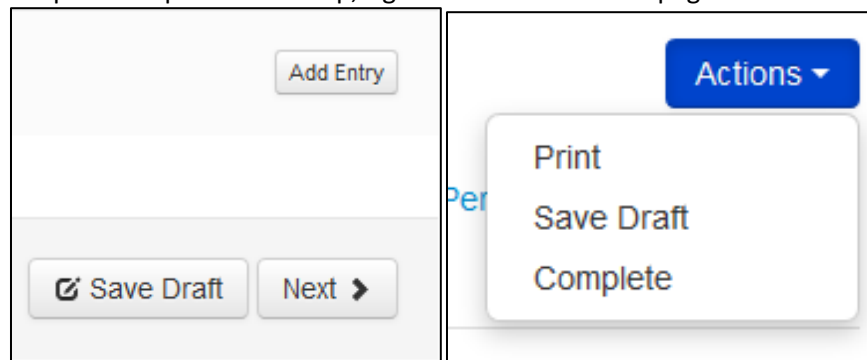

## Complete Self-Review Sections/Tabs

1. Select the Self Review (Step 2) tab on the left.
2. Complete the questions within each tab, making sure to read the instructions on each tab carefully. Add comments and examples as necessary.

Introduction	Information on best practices for performance reviews and criteria for determining level of performance.
Position Description & Review Meeting Discussion	These questions are designed to ensure that employees have the opportunity to discuss any concerns, achievements, or changes in position during the review.
Core Competencies	Rate yourself on each of the UVM core competencies. If you are a supervisor, complete the competencies indicated for supervisors.
Goals, Objectives, and Accomplishments – Current Review Period	An opportunity to look at your established goals and objectives for the current review period and rate the degree to which they were accomplished.
Overall Summary of Performance	Summarize overall performance.
Additional Comments	Add any additional comments not already entered into one of the previous tabs.
Future Goals and Objectives	List goals and objectives for the upcoming review period. The goals agreed upon and finalized on the Supervisor Review will be evaluated during the next review period.
Attachments	Attach any relevant documents.

## Moving Between Tabs & Saving Information

1. Move Between Tabs
  - Select the next button on the bottom of the page, or select the title of the tab you would like to navigate to. The “Future Goals and Objectives” tab will have a “Complete” button in place of the next button. If you would like to add an attachment navigate to the “Attachments” tab by clicking the tab title at the top of the page.
  - Note: Moving between tabs will not save information entered unless you click the “Next” button.**
2. Save Draft
  - Click the “Save Draft” button at the bottom of each page or select the blue “Actions” drop down option at the top, right hand corner of the page. Then select “Save Draft.”

## Add Attachments

1. Navigate to the “Attachments” tab. Click the grey “Browse” button.
2. Use the file explorer to select the document you would like to upload to the review.
3. Click “Upload File”.
4. To add an additional attachment, select the blue “New Attachment” button on the right.

## Submit/Complete Your Self-Review

1. Ensure that you have completed all questions in each tab (if you are not a supervisor then you would not complete the supervisor competency questions on the Core Competencies tab).
  - a. Completing with the Action Button: Use the “Actions” button in the upper right hand corner. Select the “Action” button then click “Complete.”
  - b. Completing on the “Future Goals & Objectives” tab: At the bottom of this tab the next button is replaced by a blue “Complete” button. Click this to complete the review.

## Acknowledging Your Annual Review

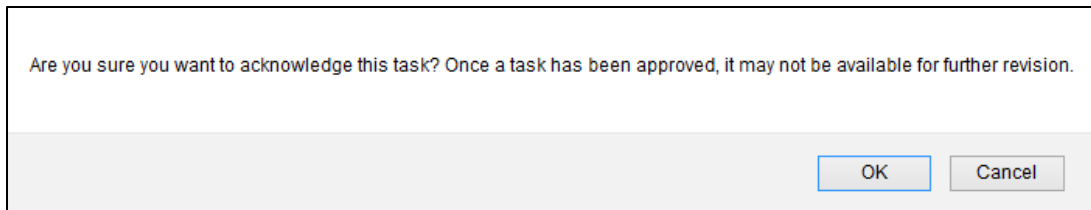

- After your review meeting with your supervisor, they will finalize and approve your review. This may include a revision or additional comments based upon conversation that took place in the review meeting. Once the review has been approved by the supervisor, no additional changes can be made. In order to complete the review you must go in and acknowledge the finalized, approved review.
1. Login to [PeopleAdmin Employee Portal](#) and select Supervisor Review (Step 3).

- Review the document and acknowledge the review by selecting the blue “Acknowledgement” button at the bottom of the page or by selecting “Acknowledgement” from the drop down menu of the blue “Actions” button at the top of the page.
  - You will be acknowledging the receipt of the approved review. You will not be acknowledging whether you agree or disagree with the supervisor’s assessment.
  - There is a comment box at the end of the page for any additional comments on the finalized review.

- Select “OK” in the box that populates, to confirm your acknowledgement of the review.

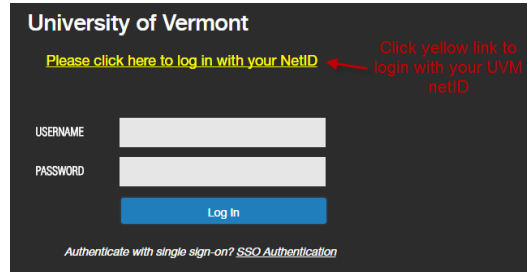

- Click on the “Approvals & Acknowledgements” tab on the left to view your acknowledgement, comments and time stamp.
