Meet recent graduates

PRESIDENT’S HIPPO

Alyssa Goulet ’22: Accounting, Business Administration. Current position: Pandemic Response Coordinator, LLC, Burlington. Alyssa is a recent graduate with a passion for people and helping others. She is a part of the Vermont Army National Guard and plans to attend law school.

Jess of Study: Scuba Diving. Country: Japan. Current position: O2 Concepts, Tokyo. UVM professors provide many opportunities to learn by doing. I enjoyed working as a scuba diving instructor. The professor was an IBM engineer with decades of experience. He made me excited about the learning experience. UVM feels like home.

TECHNOLOGY

Aaron G., Bachelor of Science in Computer Science. Current position: Global Gateway Coordinator, University of Vermont. UVM is a great choice for international students. There are all kinds of people willing to help. Getting to know all the other students was one of the best memories of my college career.

You’ll feel welcome.

You’ll feel safe, too! If you decide to study at the University of Vermont, you’ll have access to personal advisors to help you plan your course of study. Our advisors are friendly and experienced. If you need help, they’re there to answer your questions.

Learning happens — everywhere.

Almost all courses are online, so students can study from anywhere in the world. UVM professors provide many opportunities to learn by doing. Students can learn by participating in research, internships, or service learning. Students can also learn by participating in student organizations, clubs, or athletics. Learning happens — everywhere.

Looking for a job? We can help with that too.

UVM is a great place to explore your career options. UVM students have access to a variety of career resources, including career counseling, job placement services, and career-related events. UVM is a great place to explore your career options.
