

Dairy Webinar: Alternative Milking Strategies

Alternative Milking Strategies: Lessons Learned From Research and Experience

Tuesday, December 13, 2022, 12:30-1:30 p.m.

Join UVM Extension's Sara Ziegler and grazing consultant Sarah Flack for a webinar on alternative milking strategies including seasonal production, once-a-day milking, and other alternative milking frequencies. They'll share insights on the prevalence of these strategies on dairy farms around the northeast region, as well as common challenges, barriers to adoption, benefits, and economic considerations.

The webinar is free and will be from 12:30-1:30 p.m. No pre-registration is required. Just connect via the Zoom meeting link <https://uvm-edu.zoom.us/j/89398749973> on 12/13. Meeting ID: 893 9874 9973 or dial by location - +1 929 436 2866 US (New York), or +1 780 666 0144 (Canada)

Or find your local number: <https://uvm-edu.zoom.us/j/89398749973>

Webinar will be recorded and available at a later date.
