

2022 Summer Dairy Series

We invite you to participate in our Summer Dairy Series of on-farm workshops hosted by UVM Extension, NOFA-VT, and VT Grass Farmers Association (VGFA). All workshops are listed with registration and contact information, as it can differ event to event.

The event listing on pages 1 & 2 are listed by event date. The same information is presented by organization on pages 3 & 4.

ALL EVENTS LISTED BY DATE

* **Friday, June 17, 11:00 a.m. to 1:00 p.m.** [Tim and Martha Magnant, Bridgeman View Farm, 4826 Hanna Road, Franklin, VT 05457](#). Hear about harvest management and storage, fertility management, and species selection to achieve high forage quality; equipment options for forage seeding and calibrating a grain drill; and explore options for feeding a high forage diet. Free event, but registration is required as lunch will be provided (hamburgers) by 6/16 at <https://bit.ly/3t9qlA6>. Contact: Susan.brouillette@uvm.edu or 802-524-6501.

* **Friday, July 1, 11:00 a.m. to 1:00 p.m.** [Brian and Cindy Kayhart, Chalker Farm, 4188 Otter Creek Hwy, Vergennes, VT 05491](#) (farm is located in New Haven). The Kayhart's will share how they have transitioned more of their acreage to pasture and shifted towards management-intensive grazing principles, including converting cropland, new laneways, and an underpass for safer cattle travel. Free event. Please register by 6/30 at <https://KayhartChalkerFarm.eventbrite.com>. Water and snacks provided, bring your own lunch. Contact: Susan.brouillette@uvm.edu or 802-524-6501.

* **Thursday, July 14, 10:00 a.m. to 12:00 p.m.** [Scott Richardson, Richardson Family Farm, 18 Richardson Farm Road, Hartland, VT](#). Physical exam of the herd and individual cow workshop. Part of the Dairy Herd Health series with veterinarian Dr. Dayna Locitzer. Free event. Please register and find more information at <https://go.uvm.edu/herdhealth>. Water and snacks provided. Contact: Kelsie.meehan@uvm.edu or 518-810-6431.

* To request a disability related accommodation to participate in a UVM Extension program, please contact Susan Brouillette at (802) 524-6501 or 1-800-639-2130 (toll-free in Vt. only) 3 weeks prior to the event so we may assist you.

Water Quality and CCA credit hours will be available.

COLLEGE OF AGRICULTURE AND LIFE SCIENCES

ALL EVENTS LISTED BY DATE

Tuesday, July 19, 10:00 a.m. to 3:00 p.m. [Kristan Doolan and George van Vlaanderen, Doe's Leap Farm, 1703 VT Route 108 South, East Fairfield, VT 05448](#). Learn about using the VT Ripsower, a combined subsoiler, seeder, and liquid biostimulant injector, for improved yield, livestock performance, soil formation, pollinator care, and total infiltration farming. To include presentation, discussion, field work, and soil investigations. Workshop is free, but please register by contacting Lauren Weston, FCNRCD at info@franklincountyNRCD.org or call 802-528-4176.

*** Tuesday, July 26, 11:00 a.m. to 1:00 p.m.** [Earl Ransom & Amy Huyffer, Rock Bottom Farm, 53 Rock Bottom Road, Strafford, VT 05072](#). Pasture walk with Earl, Amy, and Sarah Flack discussing the essential agronomy of managing pasture as a crop on land that includes both hay land that can also be grazed, and steeper permanent pastures. Topics will include managing soils and plant species to maximize the use of pasture to keep input and feed costs low. Bryony Sands of UVM will also share information on parasite management in pastures. Free event, but registration is required by 7/24 at <https://RockBottomFarm.eventbrite.com>. Water and snacks provided, bring your own lunch. Contact: Susan.brouillette@uvm.edu or 802-524-6501.

*** Wednesday, July 27, 10:00 a.m. to 12:00 p.m.** [Laggis Farm LLC, John and Johanna Laggis, 589 Hardwick Farm Road, East Hardwick, VT 05836](#). Calf health workshop with Dr. Pete Erickson of UNH speaking about calf and heifer management and best practices. Free event with lunch served. Need to register by 7/25 at <https://bit.ly/3mHuBmN>. Contact Whitney.hull@uvm.edu or 802-279-7517.

Monday, August 1, 11:00 a.m. to 1:00 p.m. [Haynes Dairy, Baird Swift, 30 Tengren Avenue, Claremont, NH 03743](#). Kicking your grain bill to the curb. Walk the pastures with grazing expert Sarah Flack and farmer Baird Swift. Also hear from UVM agronomy specialist Heather Darby on forage research and Mike Thresher of Morrison's Custom Feeds who will share his nutrition expertise. Free event, but please register by 7/30 at <https://cutgrain.eventbrite.com>. Water and snacks provided. Contact Meghan Sheradin, Meghan@vtgrassfarmers.org, or 802-989-0534.

*** Thursday, August 25, 10:00 a.m. to 12:00 p.m.** [Annie Claghorn and Catlin Fox, Taconic End Farm, 1395 Leicester-Whiting Road, Leicester, VT 05733](#). Raising healthy heifers. Part of the Dairy Herd Health series with veterinarian Dr. Dayna Locitzer and grazing expert Sarah Flack. Free event. Please register and find more information at <https://go.uvm.edu/herdhealth>. Water and snacks provided. Contact: Kelsie.meehan@uvm.edu or 518-810-6431.

*** Thursday, September 8, 11:00 a.m. to 1:00 p.m.** [Ashlyn Bristle and Abraham McClurg, Rebop Farm, 1320 Sunseet Lake Road, Brattleboro, VT 05301](#). Understanding mastitis to produce quality milk. Part of the Dairy Herd Health series with veterinarian Dr. Dayna Locitzer. Free event. Please register and find more information at <https://go.uvm.edu/herdhealth>. Water and snacks provided. Contact: Kelsie.meehan@uvm.edu or 518-810-6431.
