

Academic Advising Form For Studying Abroad

TO BE COMPLETED BY THE STUDENT IN CONSULTATION WITH **MATT MANZ IN CEMS STUDENT SERVICES.**

College of Engineering & Mathematical Sciences students should complete this form in the freshman year.

Student Name: _____ ID #: _____

Department/Major(s): _____ Department/Minor(s): _____

Anticipated Graduation Date _____ Advisor Name _____

Which year and/or semester, if any, might work best for you to study abroad? Consider and discuss the following with your advisor:

- Are you aware of what is required to complete all degree requirements as noted in your Degree Audit?
- Are there particular courses that are only offered once per academic year (e.g. spring only) OR are there course sequences that must be taken at a particular time?
- Are there required courses that must be completed at UVM in order to fulfill requirements?
- Are there courses which, if taken abroad, will not fulfill major/minor requirements?
- I am considering going abroad during the semester(s) noted below. Which courses would I need to take abroad to remain on track for graduating with my major(s) and minor(s) by May/December ____?
- Will I be in compliance with the "UVM in residence" requirement regarding 30 of my last 45 credits being completed on campus?

Planned semester/year abroad: _____

I met with my advisor to discuss how study abroad may impact my academic progress toward graduation. I understand no one can promise that the courses I take while abroad will fulfill specific degree requirements until after a transfer evaluation is completed upon returning from abroad. I understand it is to my benefit to know what requirements I have left to complete prior to deciding on a program and prior to going abroad.
