

Dan and Carole Burack President's Distinguished Lecture Series

Nomination Form

Nominee:

Position:

Place of Employment:

Describe how the nominee has cultivated an international reputation in their discipline and their potential for bringing value to our institution.

Describe how the speaker will positively impact multiple disciplines on campus.

How will this nominee contribute to the University's strategic priorities for facilitating student success, elevating our research profile considering our distinctive strengths, and engaging in our land grant mission.

Describe the potential lecture topic in one to two sentences:

As a goal of the Burack program is to have the speaker engage with the UVM community, please provide on a separate page a detailed itinerary for the speaker's visit. The itinerary does not need to be final but should demonstrate the proposed scope of engagement with faculty, students, campus groups, and others relevant to the speaker's visit and topic. A sample itinerary is provided as a guide.

Additional Documentation

- 1. Please attach a Letter of Support from a campus community member outside of your home department or program. Supporting statements may come from faculty, students or groups on campus.**
- 2. Please attach the nominee's Curriculum Vitae (limited to 5 pages) or a brief Biography (1-2 pages).**
