UVM Student Summer Research Grants, Reviewer, 2016, 2017

UVM REACH Grant Program, Reviewer, 2017

Louisiana Board of Regents Grant Program, Expert External Reviewer, 2015-2016

The Hong Kong Institute of Education, Committee on Research and Development. Grant Reviewer, 2014.

Autism Speaks, Grants Panel Reviewer for AS-ATN, 2013.

National Science Foundation, Grant reviewer, 2012

Social Sciences and Humanities Research Council of Canada, Panel Reviewer, 2011

ASHA Foundation Child Language Grants, Panel Reviewer, Rockville, MD, 2005

Building Partnerships for a Healthier Society, Research Awards, Health Research Board, Panel Reviewer, Ireland, 2005.

Early Reading First Program, U.S. Department of Education, Office of Elementary and Secondary Education, Expert Panel Reviewer, Washington, DC, July, 2002.

Early Intervention & Preschool Competition in the Division of Personnel Preparation, Office of Special Education Programs, US Department of Education, Panel Reviewer, January, 1993.

FUNDED PROJECTS (\$24,226,497)

UVM Doctoral Occupational Therapy Program Construction, HRSA, Congressionally Directed Spending, **\$5.75M**, 2022-2025

A proposal to create an Osher Center for Integrative Health at the University of Vermont, Bernard Osher Foundation, **\$5.5M**, funded 2022

Perspective of local autism stakeholders on the healthcare transition to adult services in Vermont, Patient Centered Outcome Research Institute (PCORI), **\$98,534**, 2022-2023

Increasing Capacity for Autism Research in a Rural State: Co-Creation of Engagement Tools, Patient Centered Outcome Research Institute (PCORI), **\$249,600**, 2022-2024

Increasing Educational Training and Caregiver-Implemented Programs to Enhance Social Communication for Children on the Autism Spectrum, VCHIP Medicaid Match Grant Program, University of Vermont & the Vermont Agency of Health & Human Services, **\$186,947**, 2022-2023

Increasing Access through Telepractice to Caregiver-Implemented Programs to Enhance Social Communication in Pre-school and School Aged Children on the Autism Spectrum (ASD), VCHIP Medicaid Match Grant Program, University of Vermont & the Vermont Agency of Health & Human Services, **\$136,941**, 2021-2022

Integrative health and wellness coaching initiative, James Andrew Family Trust, \$175,000, 2021; \$175,000, 2022; **\$175,000**, 2023

Increasing access to caregiver-implemented programs to enhance social communication in preschool and school-age children with ASD, VCHIP Medicaid Match Grant Program,

University of Vermont & the Vermont Agency of Health & Human Services, **\$143,253**, 2020-2021

Increasing access to caregiver-implemented programs to enhance social communication in preschool and school-age children with ASD, VCHIP Medicaid Match Grant Program, University of Vermont & the Vermont Agency of Health & Human Services, **\$137,275**, 2019-2020

Brain-Behavior Connections in ASD: Making Sense of Neural Activity in ER and ToM. Donor funded, **\$91,000**, 2019-2020, **\$45,000**, 2020-2021

Research in Parent Training: More than Words & Talkability, PI, Andrew Family Foundation, **\$25,000** annually, total **\$325,000**, 2010-2023.

Enhancing Social Interaction for Preschool and School-Age Children with ASD, VCHIP Medicaid Match Grant Program, University of Vermont & the Vermont Agency of Health & Human Services, **\$102,628**, 2018-2019

Integrative Health Coaching for Children with ASD, Andrew Family Foundation, **\$125,000**, January-December, 2018.

Parent training for young children with ASD, VCHIP Medicaid Match Grant Program, University of Vermont & the Vermont Agency of Health & Human Services, Co-I with S. Velleman and H. Morris, **\$26,220**, AY 2017-2018

Effectiveness of ToM Intervention, Co-PI with Tiffany Hutchins (PI), funded through CNHS Incentive Grants Program, UVM, **\$14,000**, 2017-2018.

Translation and Psychometric Validation of a Thai Version of Theory of Mind Inventory and Task Battery in Thai Primary Caregivers and Children with Autistic Spectrum Disorders, (NUR 590444S), Prince of Songkla University, Thailand, Co-PI, Foreign Researcher with O. Nukaew, **\$396,313 (Baht)**, 2016-2018.

Early Intervention Training in ASD, VCHIP Medicaid Match Grant Program, University of Vermont & the Vermont Agency of Health & Human Services, Co-I with S. Velleman and T. Hutchins, **\$26,535**, AY 2016-2017

Improving Communication with Mechanically Ventilated Patients, FISAR Grant, University of Vermont, Co-I with P. Menon & J. Novotny, **\$40,000**, January, 2016-June, 2017

Integrative Health Initiative, PI, Growald Family Foundation, **\$10,000**, July, 2015

Evaluation Services for Integrated Recovery Project, PI, with A. O'Meara as Project Evaluator, Vermont Association for Mental Health and Addiction Recovery, **\$10,000**, 2015

UVM Reach Grant, Co-PI with T. Hutchins, The Development of a Norm-Referenced Theory of Mind Inventory (ToMI), **\$33, 483**, 2014.

Evaluation Services for Integrated Recovery Project, PI, with A. O'Meara as Project Evaluator, Vermont Association for Mental Health and Addiction Recovery, **\$9,999.43**, 2014.

Parent Training for Children with ASD, PI VT Department of Health, **\$15,000**, 2013.

NP Fellowship in Palliative Care, Co-PI with R. Dale & U. McVeigh, Milbank Foundation, **\$100,000** over two years (\$50,000/year), 2013-2015

Ladies First Program Evaluation, PI, Vermont Department of Health, AHS, **\$22,229**, 2012-2013

Parent Training and Exercise: Implications for Stress Reduction and Positive Adjustment for Families of Children with ADHD or ASD, PI with Betsy Hoza, Tiffany Hutchins, Connie Tompkins, Marie-Christine Potvin, George Leibowitz, Erin Shouldberg, Haley Woodside-Jiron, Jennifer Laurent, College of Nursing & Health Sciences, UVM, **\$31, 744.39**, 2012

Parent Training and Exercise: Implications for Stress Reduction and Positive Adjustment for Families of Children with ADHD or ASD, PI with Betsy Hoza, Tiffany Hutchins, Connie Tompkins, Marie-Christine Potvin, George Leibowitz, Erin Shouldberg, Haley Woodside-Jiron, Jennifer Laurent, Center for Disability and Community Inclusion, UVM, **\$14, 991.33**, 2012

Parent Training & Exercise: Implications for stress reduction and positive adjustment for families of children with ADHD or ASD, PI with Betsy Hoza, Tiffany Hutchins, Connie Tompkins, George Leibowitz, Erin Shoulberg, Haley Woodside-Jiron, and Jennifer Laurent, Neuroscience Behavior & Health Transdisciplinary Research Initiative, UVM, **\$6,978**, 2012

Training health professionals in infection prevention in residential care facilities, Vermont Department of Health, **\$102,039**, 2011.

Facilitating play among children with ASD and their typical peers, Center for Disability and Community Inclusion, **\$4,000**, 2011.

The Effects of Social Stories Versus Comic Strip Conversations for Enhancing the Social Cognition of Individuals with Autism Spectrum Disorder/Co-PI—with Tiffany Hutchins (PI), funded through CNHS Incentive Grants Program, UVM, **\$15,000**, 2010-2011.

Emotion Regulation in Young Children with Autism: Caregiver Influences and Behavioral Development/Co-PI—with Susan Crockenberg, funded through the McNeil Funds—Faculty Research in Prevention and Community Psychology, **\$3800**, Summer 2009

Training Director/Co-PI, VT-Interdisciplinary Leadership Education for Health Professionals Program, training grant through the U.S. Bureau of Maternal & Child Health, expanded for 2 years from July 1, 2009 through June 30, 2011 for **\$920,000**.

LEND Expansion Grant in Autism/Co-PI—MCHB training grant, awarded for \$200,000 a year for 3 years for **\$600,000**, 2008-2011.

VT-ILEHP Program/Co-PI, Support for interdisciplinary training and faculty development, Office of the Vice President for Research & Dean of Graduate Studies, **\$10,000**, 2008

The American Occupational Therapy Foundation (AOTF)/Faculty Co-Sponsor — Dissertation research grant, Faculty co-sponsor for doctoral student dissertation research for Marie-Christine Potvin, **\$5000**, 2007

Organization of Autism Research (OAR)/ Faculty Co-Sponsor—Graduate student research grant, doctoral student dissertation research for Marie-Christine Potvin, **\$2000**, 2007.

State Improvement Grant, US DOE/PI, Speech-Language Pathology Distance Education Program, **\$725, 941**, 2007-2012.

VT-ILEHP Program/PI, Support for interdisciplinary training and faculty development, Office of the Vice President for Research & Dean of Graduate Studies, **\$10,000**, 2007.

Organization of Autism Research (OAR)/Faculty Sponsor—Graduate student research grant, masters student thesis research for Courtney Ehlers, **\$1000**, 2006.

VT-ILEHP Program/Co-PI, Support for interdisciplinary training and faculty development, Office of the Vice President for Research & Dean of Graduate Studies, **\$10,000**, 2006.

President's Lecture Series Award/PI, funding to bring a deaf speaker to campus to lecture in the area of American Sign Language and to consult on the ASL curriculum, **\$5,000**, 2005.

A & S Faculty Development Award/PI, funding for current research in social story intervention & perspective taking in children with ASD, University of Vermont, **\$2,000**, 2004-2005.

Project Director/PI, Vermont State Improvement Grant-SLP Assistants Program, U. S. Department of Education, (September 1, 2004-August 31, 2007) award of **\$270,464** over three years.

Training Director/Co-PI, VT-Interdisciplinary Leadership Education for Health Professionals Program, training grant through the U.S. Bureau of Maternal & Child Health, (July 1, 2004 - June 30, 2009), award of **\$2,300,000** over five years)

University Scholar Award/PI, Funding for current research on peer play in children with ASD and their typical peers, UVM, 2003-2004, **\$2,500**.

Project Director/PI, Peer Play with Children with Autism Spectrum Disorder. University of Vermont Research Grant (February, 2002-January, 2003), **\$5,000**

Project Director/PI, Speech-Language Initiative for the Vermont State Improvement Grant, awarded through the U.S. Office of Education, designed to prepare graduate level SLPs to work in Vermont Schools. Additional award for 2002-2003 to add 3 SLP trainees approximates **\$32,893**.

Project Director/PI, Information Dissemination to Enhance the Knowledge of Service Providers Working with Children with ASD, awarded through Developmental Services (VT Agency of Human Services) (July 1, 2001-June 30, 2002), **\$12, 726**.

Project Director/PI, Institutionalization of VT-RAP, awarded through Developmental Services (VT Agency of Human Services), Family, Infant, & Toddler Project of Vermont, State Department of Education (September 1, 2000-August 31, 2001), **\$36,000**.

Co-Project Director/Co-PI, State Improvement Grant funding for occupational and physical therapy fellows trained in the VT-Interdisciplinary Leadership Education for Health Professionals Program for 2000-2001 (\$17,000), 2001-2002 (\$23, 581), 2002-2003 (\$26,965), 2003-2004 (\$27,217) through the Vermont State Department of Education. Total award for 3 years (2000-2003) approximates **\$94,763**.

Project Director/PI, Speech-Language Initiative for the Vermont State Improvement Grant, awarded through the U.S. Office of Education, designed to prepare graduate level SLPs to work in Vermont Schools. Total award for five years (Jan. 1999- Dec. 2004) approximates **\$430,826**.

Interdisciplinary Training Director/Co-PI, VT-Interdisciplinary Leadership Education for Health Professionals Program, training grant awarded through the U.S. Bureau of Maternal & Child Health. Total award for five years ((July 1, 1999 - June 30, 2004) approximates **\$1,735,000**.

Principal Investigator & Project Director (Sept. 1, 1997 - August 31, 2000, \$820,000), training grant through the U.S. Office of Education, State of Vermont Department of Education (\$10,000/year, totaling \$30,000), Family Infant and Toddler Project (\$12,000/year, totaling \$36,000), SRS-Child Care Services Division (\$20,000/year, totaling \$60,000), school districts (tuition reimbursement for six credits per community-based trainee, over three years, approximating \$35,000). Total funds to support this project approximate **\$980,000**.

Principal Investigator (July 1, 1996- June 30, 1997), Provost Instructional Incentive Award, University of Vermont, total award **\$3,890**.

Interdisciplinary Training Director/Co-PI (July 1, 1995 - June 30, 1999), training grant through the U.S. Bureau of Maternal & Child Health, Interdisciplinary Leadership Education for Health Professionals. Total award approximates **\$1,200,000**.

Faculty Exchange Program in Cultural Diversity (1995-1999, \$4000 from UVM's Provost Office, \$2000 from UVM's College of Education & Social Services, \$2000 from UVM's College

of Medicine each year over four years) with Howard University in Washington, DC, for a total award of **\$32,000**.

Principal Investigator (Jan. - Dec., 1994) Provostal Support for Instructional Development Award, University of Cincinnati, **\$2,000**.

Principal Investigator & Project Director (Sept.1992- Aug. 1997) training grant to prepare SLPs & general educators in a collaborative model of service delivery, US Department of Education, **\$501,684**.

Co-investigator & Project Director (Sept.1992- Aug. 1997) training grant, to prepare early childhood special educators and SLPs in collaborative models of service delivery, US Department of Education, University of Cincinnati, **\$453,860**.

Project Director (1990-1993), training grant, US Department of Education, University of Cincinnati, **\$278,000**.

Principal Investigator (1987-88), field-testing research grant, Communication Skill Builders, University of Cincinnati, **\$8,000**.

Co-investigator (1985), research grant, Office of Research and Development, University of Pittsburgh, **\$1,000**.

INVITED KEYNOTES & PRESENTATIONS (330)

1. Autism Spectrum Disorder (ASD) Treatment: Evidence-based Interventions for Communication and Social Interactions. Turkey Speech Therapy Association, virtual all-day workshop, May, 2023
2. Assessing Social Communication in Young Children with ASD & Implementing Evidence-based Interventions. National Autism Conference, Penn State University, State College, PA, August, 2022
3. Engaging Families in Social Cognitive Interventions to Facilitate Theory of Mind in Children with ASD, Morris County Speech and Hearing Association, NJ, 3-hour virtual conference, April, 2022
4. The Role of Parents in Supporting Communication and Theory of Mind in Children with Autism Spectrum Disorder (ASD), SLPs of Iran, 3-hour virtual conference, March, 2022
5. Theory of Mind in Autism: Parent Training in Narrative Book Reading to Improve Social Understanding. Virtual Seminar presented at the 4th Annual Autism Forum by the Western China Autism Rehabilitation Coalition, November, 2021.
6. Social and Emotional Development and Theory of the Mind in Children with ASD. Workshop presented to the Behavioral Interventionists, Howard Center, Burlington, VT, August, 2021.
7. Connecting case studies to evidence-based intervention for ASD. Brookes Coffee Chat Webinar, June, 2021

8. Social Communication Interventions for Verbal Children with ASD, Virtual webinar, Shenzhen, China, April, 2021
9. Theory of mind in Autism: Parent training in narrative book reading to improve social understanding. Distinguished lecture, Center for Research on Challenges in the Acquisition of language and Literacy (CRCALL), Georgia State University, Atlanta, GA, December, 2020
10. Innovations in theory of mind assessment and intervention: Implications for practice. Virtual presentation given at the 2020 ArkSHA Convention, Arkansas, October, 2020
11. Social cognitive interventions to facilitate theory of mind: Social Stories, Comic Strip Conversations & Narrative Book reading. Virtual presentation given at the 2020 ArkSHA Convention, Arkansas, October, 2020
12. Human dignity and inclusive practice: Honoring all learning styles. Workshop presented to teachers at Notre Dame Preparatory Catholic High School, Scottsdale, AZ, August, 2020.
13. How to be accepted for publication: What are the expectations of a journal? Presentation given to doctoral students in psychiatric nursing, Prince of Songkla University, Hat Yai, Thailand, December, 2019
14. How to be accepted for publication: What are the expectations of a journal? Presentation given to international masters students in psychiatric nursing, Prince of Songkla University, Hat Yai, Thailand, December, 2019
15. Theory of mind in autism: Parent training in narrative book reading to improve social understanding. Keynote presentation, China International Speech and Hearing Association, Hangzhou, China, October, 2019
16. Innovations in theory of mind assessment and intervention for children with ASD. Workshop presented to Medical University of China, Hangzhou, China, October, 2019
17. My leadership journey: Lessons learned. Leadership Retreat presentation to Student Government Association, UVM, South Hero, September, 2019
18. Creating a culture response to change. Retreat presentation to Staff Council, UVM, Burlington, October, 2019
19. Theory of mind in autism: Parent training in narrative book reading to improve social understanding. Keynote Presentation, Applied Behavioral Analysis International, Chicago, IL, May, 2019.
20. Supporting Oral Language Development in Young Children. Presentation to early childhood staff, Southern Vermont Supervisory Union, Bennington, VT, November, 2018
21. Navigating the Social Environment as a College Student: Understanding My Theory of Mind. Presentation to faculty, staff and families of young adults with ASD. Mansfield Hall, Burlington, VT, October, 2018
22. Evidence-based Social Communication Intervention for Minimally Verbal Children. Presentation to the 17th Annual Autism Conference, University of Alabama, Tuscaloosa, AL, February, 2018
23. Innovations in Communication Assessment and Theory of Mind Interventions for Children with ASD. Two-day community symposium presented at the Chinese University of Hong Kong, February, 2018

24. Theory of Mind Assessment and Intervention. Workshop presented to students at the Chinese University of Hong Kong, February, 2018
25. Play-based assessment and intervention for children with ASD. Workshop presented to the students at the Chinese University of Hong Kong, February, 2018
26. Evidence-based social communication intervention for limited verbal children and youth with ASD. Workshop presented at the 2017 Team UP Autism Conference, Benton, Arkansas, November, 2017
27. Evidence-based social communication intervention for verbal children and youth with ASD. Workshop presented at the 2017 Team UP Autism Conference, Benton, Arkansas, November, 2017
28. Effective social communication and social interaction interventions for young children with ASD. Workshop presented for the VT Higher Education Collaborative, Montpelier, VT, October, 2017
29. Parent training to support communication and social interaction in children with ASD. Keynote address at the Asian Pacific Speech-Language Hearing Association, Narita, Japan, September, 2017
30. Innovations in Theory of Mind Assessment: Introduction to the Theory of Mind Inventory-2 (with Tiffany Hutchins). Presentation at the Social Thinking 10th Global Provider's Conference, San Francisco, CA, June, 2017
31. Women as Leaders: Finding our sense of purpose. Keynote presented the Women's Forum at the University of Vermont. Burlington, VT, April, 2017.
32. Story-based Interventions to Support Social Cognition in Children with ASD. NYSSLHA Annual Convention, Saratoga Springs, NY, April, 2017.
33. Evidence-Based Strategies for Young Children with Autism Spectrum Disorder (ASD) with T. Hutchins, H. Morris & S. Velleman, Children's integrated Services Teams, VCHIP, Winooski, VT, March, 2017
34. Theory of Mind Assessment & Intervention for Children with ASD, Lehman College, Bronx, NY, March 2017
35. Theory of Mind Assessment & Intervention: Innovations for Children with ASD University of Montreal, Quebec, February, 2017
36. Facilitating play and social interaction of preschool children with ASD and their typical peers. *Invited keynote* presented at the Hong Kong Speech & Hearing Symposium, Chinese University of Hong Kong, October, 2016
37. Innovations in Theory of Mind Assessment & Intervention for Children with Autism Spectrum Disorder. Two-day Pre-Symposium workshop for the Hong Kong Speech & Hearing Association, Chinese University of Hong Kong, October, 2016
38. Innovations in theory of mind assessment for children with ASD (with T. Hutchins). Oral presentation at the 7th Annual Zeigler Research Forum, CNHS, University of Vermont, Burlington, VT, May, 2016.
39. Normative data for the Theory of Mind-Inventory-2 (with Taylor, S., Hutchins, T.). Poster presented at the 7th Annual Zeigler Research Forum, CNHS, University of Vermont, Burlington, VT, May, 2016.
40. Leadership development for state association executive boards. Presentation given at the annual meeting of the Council of State Association Presidents, Denver, November, 2015

41. Understanding the evidence base for social communication interventions in ASD. **Invited Keynote** given at the 10th Biennial Asian Pacific Society of Speech, Language and Hearing, Guangzhou, China, October, 2015.
42. IPE as a Foundation in CSD Education. Workshop presented at the Council for Academic Programs in Communication Sciences & Disorders (CAPCSD), Newport Beach, CA, April, 2015.
43. Innovations in theory of mind assessment and intervention for children with ASD, Burlington, VT, August, 2015
44. Leadership in Advocacy: Connecting the dots & inspiring change. **Keynote address** presented at the Vermont Family Network Conference, Burlington, VT, April, 2015.
45. Best practices in communication: Families and Providers. Workshop presented at the Vermont Family Network Conference, Burlington, VT, April, 2015.
46. Parent training strategies to support children with ASD. California Speech and Hearing Association, State Convention, Long Beach, CA, March, 2015.
47. Updates on ASD. TRIPSCY Workshop. Williston, VT, February, 2015.
48. Theory of Mind: Innovations in Assessment and Intervention for Children with ASD. VT Higher Education Collaborative, Montpelier, VT, December, 2014.
49. Evidence-based practice in treating ASD. British Columbia Association of Speech Language Pathologists and Audiologists, Vancouver, BC, October, 2014.
50. Advocacy, leadership and volunteerism: Strategies for member success. New Hampshire Speech-Language Hearing Association, Southern New Hampshire University, September, 2014.
51. Evidence-based practices to support social communication in ASD. New Hampshire Speech-Language Hearing Association, Southern New Hampshire University, September, 2014.
52. Theory of Mind: Innovations in Assessment and Intervention for Children with ASD. Butler County ESC, Cincinnati, OH, September, 2014.
53. Understanding Autism. **Keynote**. Autism Awareness Week, Medical Student Interest Group, College of Medicine, University of Vermont, Burlington, VT, April, 2014.
54. Promoting recreational engagement in children with ASD. ASHA Health Care Business Institute, LasVegas, NV, April, 2014.
55. Making a difference for individuals with disabilities: Applying the ICF. ASHA Health Care Business Institute, LasVegas, NV, April, 2014.
56. Making Action Plans: Ignite Session. ASHA Health Care Business Institute, LasVegas, NV, April, 2014.
57. Inspiring Leadership: Strategies for Member Success. Indiana Speech-Language Hearing Association Annual State Convention, Indianapolis, IN, April, 2014.
58. Evidence-based interventions to support social communication in children with ASD. Indiana Speech-Language Hearing Association Annual State Convention, Indianapolis, IN, April, 2014.
59. Inspiring Leadership: Strategies for Member Success. **Keynote**, California Speech-Language Hearing Association Annual State Convention, San Francisco, CA, March, 2014.
60. Inspiring New Leaders in Speech-Language Pathology & Audiology. **Keynote**, California Speech-Language Hearing Association Annual State Convention, San Francisco, CA, March, 2014.

61. Innovations in ToM Assessment and Intervention for Children with ASD. California Speech-Language Hearing Association Annual State Convention, San Francisco, CA, March, 2014.
62. Advocacy, Leadership & Volunteerism: Strategies for Member Success. Illinois State Speech and Hearing Association Annual State Convention, Chicago, IL, February, 2014.
63. Innovations in ToM Assessment and Intervention for Children with ASD. Illinois State Speech and Hearing Association Annual State Convention, Chicago, IL, February, 2014.
64. Inspiring Leadership and Advocacy: Strategies for Member Success. Texas State Speech and Hearing Association Annual Convention, Houston, TX, February, 2014.
65. Innovations in theory of mind assessment and intervention for children with ASD. Texas State Speech and Hearing Association Annual Convention, Houston, TX, February, 2014.
66. Advocacy, leadership and volunteerism: Strategies for member success. Mississippi State Speech and Hearing Association Annual Convention, Jackson, MI, February, 2014.
67. The magic of our stories as speech-language pathologists and audiologists. Mississippi State Speech and Hearing Association Annual Convention, Jackson, MI, February, 2014.
68. What is Disability? Knowing person and their family. *Keynote address*, 13th Annual Cultural Awareness Day, University of Vermont, February, 2014.
69. Theory of Mind: Innovations in Assessment and Intervention for Children with ASD. Presentation to the Los Angeles County Office of Education, Los Angeles, CA, January, 2014.
70. Theory of Mind Assessment & Intervention: Innovations for Children with ASD. Presentation for the British Columbia Children's Hospital Chan Centre, Vancouver, BC, January, 2014.
71. Beyond the ToM hypothesis: Using a causal model to understand the nature and treatment of multiple-deficits in autism spectrum disorder (with T. Hutchins). Paper delivered at the AWARES International Online Autism Conference. December, 2013. Online.
72. Students with severe disabilities: Knowing their story. Presentation for the 2013 ASHA Schools conference, Long Beach, CA, July, 2013.
73. The magic of stories: Learning to make a difference. Presentation for the 2013 ASHA Schools conference, Long beach, CA, July, 2013.
74. The spirit of leadership: excellence is a never ending process. Presentation to the Council of State Association Presidents (C-SAP), Rockville, MD, May, 2013.
75. Building integrated services in the schools: A collaborative role for the SLP. Presentation for the OSACS conference, Ramstein, Germany, May, 2013.
76. Advocate for yourself & your profession: Making a difference. Presentation for the OSACS conference, Ramstein, Germany, May, 2013.
77. Evidence-based interventions to support social communication. Presentation for the OSACS conference, Ramstein, Germany, May, 2013.
78. Understanding Autism and the Role of Parent Training in Intervention. Elder Education (EEE). South Burlington, VT, February, 2013.

79. Getting to know your national organization. NSSLHA Regional Meeting, Kent State University, Kent, Ohio, October, 2012
80. Understanding the Continuum of Evidence-Based Interventions in ASD. NSSLHA Regional Meeting, Kent State University, Kent, Ohio, October, 2012.
81. Innovations in Theory of Mind Assessment & Intervention for Children with ASD. Vermont Association for School Psychologists, Essex, VT, September, 2012.
82. Social stories and comic strip conversations to facilitate more appropriate social behaviors in children with ASD (with T. Hutchins). Zeigler Research Conference, University of Vermont, May 2012.
83. Parent Training Strategies for Children with ASD. Workshop for the 2012 New York State Speech-Language-Hearing Association Convention, Saratoga, NY, April, 2012.
84. Advocating for the Professions-Strategies for Member Success. Workshop for the 2012 New York State Speech-Language-Hearing Association State Convention, Saratoga, NY, April, 2012.
85. Parent Training Strategies for Children with ASD. Workshop for the 2012 North Carolina Speech-Language-Hearing Association State Convention, Concord, NC, March, 2012.
86. Advocating for the Professions-Strategies for Member Success. Workshop for the 2012 North Carolina Speech-Language-Hearing Association State Convention, Concord, NC, March, 2012.
87. My Leadership Journey, Division of Enrollment Management, University of Vermont, Burlington, VT, March, 2012.
88. The psychometric evaluation of the Theory of mind Inventory (ToMI): A study of typically developing children and children with ASD (with Tiffany Hutchins) AWARES International Online Autism Conference. November, 2011. Online.
89. Innovations in Theory of Mind Assessment & Intervention for Children with ASD. PreConvention workshop, Special Interest Group 1, 2011 ASHA Convention, November, 2011.
90. Measurement of 'theory of mind' to guide treatment planning and evaluate outcomes. Burlington School District, Burlington, VT, September, 2011.
91. Building integrated services in the schools: A collaborative role for the SLP. ASHA Schools Conference, National Harbor, Maryland, July, 2011.
92. Advances in autism: The last 10 years. Summer Autism Institute, South Burlington, VT, June 2011.
93. Early screening & early intervention: Research as a guide to practice for children with or at risk for ASD. VCHIP, UVM, March, 2011.
94. Facilitating Joint Attention in Children with ASD and their Typical Peers during Play. Presentation at the International Symposium on AutismComSym, Paris, France, February 4-5, 2011.
95. Facilitating Communication and Social Interaction in Preschool and School-age Children with Autism Spectrum Disorders at Home and School. Two-day workshop for St. Xavier University, Chicago, IL, January, 2011.
96. Advocating for the Professions: Strategies for Member Success. Presentation to the Annual State Convention of the Tennessee Association of Audiologist & Speech-Language Pathologists and the Tennessee Academy of Audiology, Nashville, TN, October, 2010.

97. Facilitating Communication and Social Interaction in School-age Children and Young Adults with Autism Spectrum Disorders, J Iverson Developmental Center, Morganton, NC, October, 2010
98. Case Study Review: Autism Spectrum Disorder, Texas Speech & Hearing Association Summer Symposium, Sante Fe, New Mexico, August 5, 2010.
99. Social Communication Interventions for Children with ASD & Limited Verbal Skills, Texas Speech & Hearing Association Summer Symposium, Sante Fe, New Mexico, August 6, 2010.
100. Social Communication Interventions for Verbal Children with ASD, Texas Speech & Hearing Association Summer Symposium, Sante Fe, New Mexico, August 5, 2010.
101. Autism: Current research, policy & new VT legislation. Presented at the Vermont Child Health Symposium. University of Vermont, Burlington, VT, July, 2010.
102. Autism 101: Early intervention strategies for parents and providers. Presented to parents and providers as the kick-off workshop for the Summer Autism Institute, South Burlington, VT, June, 2010.
103. Facilitating social communication skills in children and adolescents with ASD. Mark Hammond Associates, Portland, ME, May 3-4, 2010.
104. Evidence-based communication interventions for children with ASD. Mid South Conference, University of Memphis, Memphis, TN, February, 2010.
105. Facilitating social communication in school-age children with high-functioning autism & Asperger disorder. Illinois Speech-Language Hearing Association Annual Convention, Chicago, IL, February 2010.
106. Facilitating play and social interaction in preschool children with ASD. Illinois Speech-Language Hearing Association Annual Convention, Chicago, IL, February 2010.
107. Autism Spectrum Disorders: Assessment Considerations & Evidence-Based Social Communication Interventions. New Jersey Schools Conference, October, 2009.
108. Facilitating Social Communication & Play with Peers in Children with Autism Spectrum Disorders at Home and School. Idaho State Speech-Language Hearing Association, *keynote workshop*, Boise, Idaho, October, 2009.
109. Autism 101: Early intervention strategies for parents and providers. Presented to parents and providers as the kick-off workshop for the Summer Autism Institute, South Burlington, VT, June, 2009.
110. Intervention for children with ASD and limited verbal skills. Presented to the 2009 ASHA Healthcare and Business Institute. Bethesda, MD, April, 2009.
111. Interventions for verbal children with ASD. Presented to the 2009 ASHA Healthcare and Business Institute. Bethesda, MD, April, 2009.
112. Strategies for implementing PECS and Social Stories for families of children with ASD. Presented to Autism Support Daily. Williston, Vermont, April, 2009
113. Addressing the communication needs of persons with MR/DD. Presented to the Annual convention of the Mississippi Speech-Language & Hearing Association, Jackson, MI, March, 2009.
114. Social communication interventions for children with ASD. Presented to the Annual convention of the Mississippi Speech-Language & Hearing Association, Jackson, MI, March, 2009.

115. Leadership. Presented to University of Vermont Staff Council. Burlington, VT, March, 2009.
116. Five things every child with ASD should have in their program. Presented to participants across the state of Vermont via interactive TV. Vermont Higher Education Collaborative, Waterbury, VT, November, 2008.
117. Inclusive Education Strategies for Supporting Children with Autism Spectrum Disorder. Presented to general education teachers at Edmunds Middle School, Burlington, VT, October, 2008.
118. Autism: What do we know & what can we do? All day workshop presented at Nine East Network, Montpelier, VT, September, 2008.
119. Social Communication Interventions for Children with ASD and Limited Verbal Skills. All day workshop presented at the annual convention of the Oklahoma State Speech-Language-Hearing Association, Tulsa, OK, September, 2008.
120. Social Communication Interventions for Verbal Children with ASD. All day workshop presented at the annual convention of the Oklahoma State Speech-Language-Hearing Association, Tulsa, OK, September, 2008.
121. Autism 101 Training: Intervention Decision Making (with S. Contompasis and A. Timpone). Presented to families as part of the Summer Autism Institute, South Burlington, VT, June, 2008.
122. Social Communication Interventions for Children with ASD. All day workshop presented at Utah State University, Salt Lake City, Utah, June, 2008.
123. Social Communication Interventions for Children with ASD & Limited Verbal Skills. Short Course presented at the annual convention of the New York State Speech-Language-Hearing Association, Saratoga Springs, NY, April, 2008.
124. Social Communication Interventions for Verbal Children with ASD. Short Course presented at the annual convention of the New York State Speech-Language-Hearing Association, Saratoga Springs, NY, April, 2008.
125. Diagnosis and Creating Diagnostic Profiles for Children with Autism Spectrum Disorders. Seminar presented at the annual convention of the New York State Speech-Language-Hearing Association, Saratoga Springs, NY, April, 2008.
126. Motivating Leadership. Junior League of Champlain Valley. Burlington, VT, February, 2008.
127. Autism Spectrum Disorders: Diagnostic Considerations and Social Communication Interventions. Presented to Texas Christian University, Fort Worth, TX, January, 2008.
128. Supervision in speech-language pathology. Burlington, VT. December, 2007.
129. Interventions for children with High Functioning Autism and Asperger Syndrome. Presented to the American Academy of Pediatrics Vermont Chapter Fall Meeting, Burlington, VT, November 2007.
130. Supporting social communication in children with ASD using social stories and comic strip conversations. Presented to the Collaborative Conference for the Autism Society of Greater Cincinnati, Cincinnati, OH, October, 2007
131. Evidence-based interventions for children with ASD: Considerations for decision making. **Keynote address** presented to the Collaborative Conference for the Autism Society of Greater Cincinnati, Cincinnati, OH, October, 2007

132. Facilitating social communication & play with peers in children with Autism Spectrum Disorders. Presented to the 19th Annual SLP Alumni Conference, Edinborough University, Edinborough, PA, October, 2007.
133. Autism 101 Training: Intervention Decision Making (with S. Contompasis and C. Marshall). Presented to families as part of the Summer Autism Institute, South Burlington, VT, June, 2007.
134. Autism: Diagnosis & Best Practice Considerations. Presented to the Burlington School District Special Educators, Burlington, VT, June, 2007.
135. Parents Making Connections with their Children with ASD. Presented to families at Camp Kaleidoscope, Starksboro, VT, June, 2007.
136. Facilitating Communication and Social Interaction in Children with ASD. PCA Training II. Autism Support Daily, St. Michael's College, Colchester, VT, April, 2007
137. Academic Swap Shop (with Jane Liberman). Presented at the Council of Academic Programs in Communication Sciences & Disorders. Palm Springs, CA, April, 2007.
138. Curriculum and Evidence-Based Practices for Facilitating the Social Communication of Children with ASD. Presented to the Macomb Intermediate School District, Macomb, Michigan, March, 2007.
139. Supervision in speech-language pathology. Burlington, VT. February, 2007.
140. Supporting Social Communication in Children with ASD: Evidence-based Intervention Strategies. *Keynote speaker*, Missouri State University, Springfield, Missouri, February, 2007.
141. From Evidence to Practice: Interventions for Children with ASD. *Keynote speaker*, Missouri State University, Springfield, Missouri, February, 2007.
142. Supervision in speech-language pathology. Burlington, VT. January, 2007.
143. Supervision in speech-language pathology. Rutland, VT, November, 2006.
144. Facilitating communication & social interaction in children with ASD. PCA Training, Autism Support Daily, Burlington, VT, November, 2006.
145. Floortime II: Understanding floor time as a way to relate and communicate with children with ASD. Lamoille Valley Training Course in Autism, Morrisville, VT, October, 2006.
146. Floortime I: Understanding floor time as a way to relate and communicate with children with ASD. Lamoille Valley Training Course in Autism, Morrisville, VT, October, 2006.
147. Supporting communication & social interaction in ASD: Assessment and evidence-based intervention strategies for home & school. Worcester State College, Worcester, MA, October, 2006
148. Facilitating Social Communication & Peer Play in Children with ASD. Full day workshop presented for Northeast Hearing & Speech Services, Portland, Maine, September, 2006.
149. Autism 101: Intervention decision-making. Autism Society of Vermont, Essex Junction, Vermont, June, 2006.
150. Supporting Communication & Social Interaction in ASD: Assessment & Evidence Based Intervention Strategies. Full day workshop presented at the New Jersey State Convention, Atlantic City, NJ, May, 2006.

151. Writing Literacy into the Graduate Curriculum (with Julie Masterson & L. Hewitt). Presented at the Council of Academic Programs in Communication Sciences & Disorders. Destin, FL, April, 2006.
152. Evidence-based social communication interventions for children with Autism Spectrum Disorders. Full day workshop presented to the Houston Association of Communication Disorders, Houston, TX, March, 2006.
153. Curriculum-based practices for addressing the social communication needs of children with ASD in inclusive settings. Full day workshop presented at the Title IIA Conference, NYC Department of Education, NYC, January, 2006.
154. Social communication interventions for adolescents with Asperger syndrome. Presentation to the Asperger Association of New England, Rutland, VT, December, 2005.
155. Tools for collaborative planning for school-aged children with language impairments. Full day workshop presented to the Ontario Speech and Language Association. Peterborough, ON, Canada, October 28, 2005.
156. Autism: Evidence-based approaches for school-age children. Full day workshop presented to the Ontario Speech and Language Association. Peterborough, ON, Canada, October 29, 2005.
157. Narrative assessment & intervention for children with language impairment. Full day workshop presented to UCP in Philadelphia, PA, May 2005.
158. Evidence-based interventions for children with ASD. Full day workshop presented in Providence, Rhode Island, May, 2005.

159. Guidelines for Addressing the Communication Needs of Persons With Mental Retardation and Developmental Disabilities. Web enhanced, national telephone seminar. ASHA, April, 2005.
160. Interventions for supporting the communication and language needs of verbal children with ASD. Full day workshop, Northern Michigan University, Marquette, MI, April, 2005.
161. Evidence-based social communication interventions for children with ASD. Short course, Ohio Speech-Hearing-Language Association in Columbus, OH, March 2005
162. Facilitating communication & academic success for students with ASD. Two day conference in Las Vegas, NV, February, 2005.
163. Pragmatic Issues for Children with ASD: Assessment & Intervention Strategies, Oregon Speech-Language Hearing Association, Portland, OR, October, 2004.
164. Facilitating Joint Attention & Social Interaction in Children with Autism. Baird Center for Children and Families, Burlington, VT, August, 2004.
165. Discussion Autism: A Panel Presentation, Moderator, Summer Autism Institute, Burlington, VT, June, 2004.
166. What Parents Need to Know About Autism. Vermont Parent Information Center, Burlington, VT, May, 2004.
167. Speech-Language Pathology Assistants: Considerations for Training, Use and Supervision. Vermont Speech Language and Hearing Association, State Conference, Rutland, VT, May, 2004.
- 168.** Working with Families of Children with Autism Spectrum Disorders (ASD): Considerations for Assessment and Intervention Decision Making. Illinois Speech-Language-Hearing Association, Chicago, IL, February, 2004.
169. Assessment & intervention strategies for supporting language learning and social communication in children with Autism Spectrum Disorders. Kean University, Newark, NJ, January, 2004.
- 170.** Assessment tools supporting the diagnosis of ASD: Enhancing DX precision in the assessment of ASD. Agency of Human Services, Woodstock, VT, December, 2003.
171. Family-centered care: The art of transformation. *Keynote Address*, Partners in Care Conference, Burlington, VT, December, 2003.
172. Floor time: An intervention for relating and communicating in children with ASD. VT DOE Statewide Training in ASD, Essex Junction, VT, November, 2003.
173. Collaborative practices for addressing the language and social needs of children with Asperger syndrome in inclusive settings. Emerson College Fall Symposium on Language Learning Disabilities, Boston, MA, October, 2003.

174. Understanding and supporting pragmatic and social interaction needs in children and adolescents with autism spectrum disorders. South Plains Speech & Hearing Association Fall conference, Lubbock, TX, September, 2003.
175. Recognizing Early Indicators of Autism in Young Children. Short course presented to the New York State Speech, Language, Hearing Association, Rye, NY, March, 2003
176. Social Interaction & Communication Interventions for Young Children with Autism. Short course presented to the New York State Speech, Language, Hearing Association, Rye, NY, March, 2003.
177. Child & Adolescent Psychopathology Seminar: Autism & Asperger's Syndrome. Child Psychiatry Residents, UVM, Burlington, VT, January, 2003.
178. Child Language Learning Needs & Social Interaction Strategies for ASD, JP Educational Services, Auburn, CA, January 2003.
179. Making intervention decisions for children with Autism Spectrum Disorders, UVM & Autism Society of Vermont Summer Autism Institute, Burlington, VT, June, 2002.
180. Interdisciplinary Assessment and Language-Based Curriculum Analysis in Autism. Florida State University Summer Autism Institute, Center for Autism & Related Disabilities, Tallahassee, FL, June, 2002.
181. Autism Spectrum Panel, Chittenden Regional Special Education Administrators, Burlington, VT, May, 2002.
182. Understanding & Using Floor Time: Part II, Lamoille Valley Training in Autism, Morrisville, VT, April, 2002.
183. Understanding & using Floor Time: Part I, Lamoille Valley Training in Autism, Morrisville, VT, April, 2002.
184. The language needs of children with ASD, Cabot School, Cabot, VT, March, 2002.
185. Early assessment in ASD, Burlington Early Essential Education Program, Burlington, VT, January, 2002.
186. Communication evaluation tools for diagnosis: One-year and three-year evaluations. Autism Society of Vermont, Woodstock, VT, November, 2001.
187. Recognizing early childhood indicators and what to do next. Autism Society of Vermont, Woodstock, VT, November, 2001.
188. Creating Comic Strip Conversations & Social Stories to Support Social Skills in Children with Autism. Clinical Skills Workshop, ASHA Special Interest Division 1, New Orleans. November, 2001.
189. Success for students with language learning impairments across the curriculum. Speech, Language & Learning Services, Seattle, WA, November, 2001.
190. Understanding the communication & Social Interaction Needs of Children & Adults with Autism: Strategies for Assessment & Intervention. Western Carolina Center, North Carolina, November, 2001.
191. Interdisciplinary Collaboration. Vermont State Nurses' Association, Smugglers' Notch, VT, October, 2001.
192. Understanding Autism & Planning Intervention to Support Communication, Social Interaction & Play. KASHA, Grand Rapids, MI, October, 2001.
193. Intervention Strategies for Children & Adolescents with Autism Spectrum Disorders. WCSO Student Support Services, Reno, NV, August, 2001.

194. Communication, Language & Play in Autism Spectrum Disorders: Understanding the Issues & Providing Meaningful Intervention. Early Intervention Autism Institute, University of Alaska at Anchorage, June, 2001.
195. Parent-Professional Collaboration: Two-day workshop. SERRC, Cincinnati, OH, May, 2001.
196. ASD: Updates on early indicators & intervention approaches. SWOSHA, Cincinnati, OH, May, 2001
197. Understanding the language needs of children with autism. Future Horizons, Pittsburgh, PA, April, 2001.
198. Autism Research & Accommodations, Learning & Lunch Series, University of Vermont, Division of Continuing Education, Burlington, VT, March, 2001.
199. Understanding Language and Communication in Children with ASD, Plattsburgh State University, Plattsburgh, NY, February, 2001.
200. Asperger's Syndrome. Panel Discussion for Disability Rights & Awareness Month, University of Vermont, October, 2000.
201. Intervention strategies for children with autism spectrum disorders, ASHA Schools Conference, Las Vegas, Nevada, July, 2000.
202. Addressing the assessment and intervention needs of children with ASD: A look at VT teams (panel facilitator). VT-RAP Summer Autism Institute, Burlington, VT, June, 2000.
203. Assessment and Intervention Considerations in Late Talking Children (with J. Roberts). Birth to Three Conference, Randolph, VT, June, 2000.
204. Addressing the assessment and intervention needs of students with nonverbal learning disabilities (parent panel facilitator). Pine Ridge School NLD Conference, Burlington, VT, April, 2000.
205. Interdisciplinary assessment & intervention strategies for children with Autism Spectrum Disorders and their families. University of Maryland, April, 2000.
206. Building the social skills of children & adolescents with ASD: The use of social stories, scripting and peer support. Autism Society of Vermont, Montpelier, VT, March, 2000.
207. Interdisciplinary assessment considerations for children with ASD & their families. **Keynote address.** Autism Society of Los Angeles, Pasadena, CA, March, 2000.
208. The complex language needs of school-age children with autism & implications for intervention and managing the curriculum. Autism Society of Vermont, Montpelier, VT, February, 2000.
209. Intervention considerations for children with ASD & their families. United Federation of Teachers, NYC, January 2000.
210. Innovative assessment and intervention practices for young children (with M. Bruce). Birth to Three Conference, Randolph, VT, November, 1999.
211. Interdisciplinary assessment & intervention strategies for children with Autism Spectrum Disorders and their families. Syracuse, NY, October, 1999.
212. Interdisciplinary assessment & intervention strategies for children with Autism Spectrum Disorders and their families. Northeast Hearing & Speech, Portland, ME, September, 1999.

213. Interdisciplinary assessment for serving the needs of children with Autism Spectrum Disorders and their families. California Speech & Hearing Association, Pasadena, CA, April, 1999.
214. Collaborative, language-based curriculum analysis for students with communication impairments. California Speech & Hearing Association, Pasadena, CA, April, 1999.
215. Assessment considerations & creating diagnostic profiles for children with Autism Spectrum Disorders. Missouri Speech & Hearing Association, St. Louis, MI, March, 1999.
216. Implementing effective interventions for children with ASD & their families. Missouri Speech & Hearing Association, St. Louis, MI, March, 1999.
217. Language-based curriculum analysis & classroom intervention for children with communication impairments. United Federation of Teachers, NYC, NY, February, 1999.
218. Vermont Rural Autism Project. Vermont Association of Special Education Administrators, January, 1999.
219. Language-based curriculum analysis and classroom intervention for children with special needs. Citywide Speech Services, NYC, NY, December, 1998.
220. An interdisciplinary approach to supporting children with autism spectrum disorders & their families. Northeast Regional Conference on Autism, Cromwell, CT, October, 1998.
221. Language-based curriculum analysis and classroom intervention for children with communication impairments. Nebraska Speech, Language and Hearing Association, Grand Island, NE, Oct. 1998.
222. Collaborative language-based curriculum analysis and classroom intervention. Minnesota Speech-Language-Hearing Association State Convention, Mankato, MN, April, 1998.
223. Metalinguistic awareness: Implications for children with phonological disorders. Minnesota Speech-Language-Hearing Association State Convention, Mankato, MN, April, 1998.
224. Language-based curriculum analysis and collaborative classroom intervention. University of Maryland, May, 1998.
225. Written language in children identified with communication impairments. Special Education Regional Resource Center, Cincinnati, OH, May, 1998.
226. Curriculum-based language assessment and intervention: Implications for school-age students with specific language impairment and autism. University of Puerto Rico, February, 1998.
227. An interdisciplinary approach to family-centered care. Partners in Care Conference, Burlington, VT, December, 1997.
228. Implementing collaborative intervention in the school setting. Allegheny Intermediate Unit, Pittsburgh, PA, November, 1997.
229. Supporting language, literacy & play in preschool & early elementary age children. Northeast Speech & Hearing Association of Pennsylvania, October, 1997.
230. Facilitating language and literacy in young children, Building Blocks, The Stern Center for Language and Learning, Rutland, VT, August, 1997.
231. Update on autism. Meeting of the Central Vermont Special Education Coordinators, Montpelier, VT, June, 1997.

232. Collaborative language-based curriculum analysis and intervention. Genesee Valley Speech-Language-Hearing Association & the Speech-Language Hearing Association of Western New York, Rochester, May, 1997.
233. A Model for Interdisciplinary Practice. Howard University--MCH Sponsored Leadership Conference. Chevy Chase, MD, May, 1997.
234. Planning & implementing innovative intervention in early childhood settings: A collaborative approach. Alabama Speech-Language-Hearing Association State Convention, March, 1997.
235. Early Language Intervention. Promoting Partnerships in Early Intervention Conference, Vermont Technical College, March, 1997.
236. Inclusion...All or Nothing? Partners in Care Conference, Burlington, VT, December, 1996.
237. Collaboration around written language. Dayton Public Schools, Dayton, OH, October, 1996.
238. Supporting language development and phonological awareness in playful settings. Vermont Department of Education, Burlington & Killington, VT, August, 1996.
239. Expanding Discipline Roles, Bennington-Rutland Supervisory Union, Manchester Center, Vermont, May, 1996.
240. Related Services for Children with Special Needs, Panel, Addison County, VT, March, 1996.
241. Adult siblings of individuals with developmental disabilities, Sib Workshop, Parent to Parent of Vermont, Burlington, Vermont, January, 1996.
242. Collaborative Curriculum-Based Intervention in School Speech-Language Pathology, Lubbock, TX, October, 1995.
243. Language in the Classroom: A Pivotal Role for the SLP, VSHA, October, 1995.
244. The role of the SLP in service delivery, support staff, Morrisville, Vermont, June, 1995.
245. Language Interventions--Collaboration Approach, Ohio School Psychologists Association, Columbus, Ohio, May, 1995.
246. Implementing collaborative curriculum-based intervention in the school setting, two-day workshop, Southwest Texas State University, February, 1995.
247. Innovative approaches for assessing young children, Hamilton County Board of MRDD, February, 1995.
248. Implementing alternative models of service delivery, Southwest Vermont Supervisory Union SLPs, March, 1995.
249. Making Connections between Speech, Language & Literacy, Hamilton County Board of MRDD, July, 1994.
250. Understanding & Managing the Phonological Needs of Children in Preschool Classrooms, Hamilton County Board of MRDD, June, 1994.
251. Developing Scripts for Language Intervention, Hamilton County Board of MRDD, July, 1994.
252. Current Interventions into Early Childhood Classrooms, Hamilton County Board of MRDD, Cincinnati, Ohio, March, 1994.
253. Understanding & Managing Phonological Disorders in Preschool Children, Arlitt Child Development Center, Cincinnati, Ohio, March, 1994.

254. Language-Based Curriculum Analysis: A Collaborative Approach, Columbiana County Schools, Louisville, Ohio, February, 1994.
255. Language-Based Curriculum Analysis, Allegheny County Intermediate Unit, Pittsburgh, PA, January, 1994.
256. Collaborative Planning & Intervention: Does it Work? Allegheny County Intermediate Unit, Pittsburgh, PA, January, 1994
257. Teaming & Collaborative Planning/Intervention, Columbiana County Schools, November, 1993.
258. Teaming & Collaboration: Making Partnerships Work, Hamilton County Board of Mental Retardation & Developmental Disabilities, October, 1993.
259. Interaction of Communication Skills & the Curriculum (with J. Stavale), HCOE/SERRC Team Collaboration in the Classroom, October, 1993.
260. Curriculum & Instruction I, Worthington Schools, Columbus, OH, October, 1993.
261. Curriculum & Instruction II, Worthington Schools, Columbus, OH, October, 1993.
262. Creative Classroom Activities & Alternative Methods, Religious Education Instructors, Good Shepherd Parish, Cinti., OH, September, 1993.
263. Collaboration: Making Partnerships Work, Arlitt Child Development Center, Cincinnati, OH, September, 1993.
- 264.** Collaboration in Hospital Settings, Christ Hospital, Cincinnati, OH, September, 1993.
265. Collaboration: Does it Work? Hamilton County Office of Education, Cinti., OH, Sept., 1993.
266. Understanding Temperament in the Elementary School Child, Sharpsburg Elementary School, Norwood, March, 1993.
267. A Process for Establishing a Collaborative Model of Service Delivery, Northern Kentucky Speech & Hearing Association, January, 1993.
268. Issues in Collaborative Service Delivery: Scheduling, IEP Development & Conflict Resolution, Norwood, December, 1992.
269. Assessing Communication Problems in the Classroom: A Collaborative Approach, Norwood, October, 1992.
270. Language-in-the-Classroom: Getting Perspective in Collaboration, Sharing Roles & Teaming, Norwood, September, 1992.
- 271.** Training Students to Serve Preschool Children in a Collaborative Model, Hamilton County Office of Education, Cincinnati, August, 1992.

278. Classroom-based language intervention, Cincinnati Public Schools SLPs, Cincinnati, OH, February, 1991.
279. Implementing Language-in-the-Classroom: Getting Started, (with L. Bricker, B. Miller & N. Reed) Hamilton County Office of Education, Cincinnati, OH, February, 1991.
280. Providing a foundation in collaborative language intervention in the Norwood Schools (with N. Creaghead), Norwood, OH, November, 1990.
281. A metalinguistic intervention approach to remediating phonological disorders in children, Clermont County SLPs, OH, October, 1990.
- 282.** Assessing communication problems in the classroom and learning to solve problems as a team, Norwood, OH, October, 1990.
283. Being an adolescent sibling of a mentally retarded/handicapped individual, Good Shepherd, Cincinnati, OH, March, 1990.
284. Classroom Intervention: The potential of the speech/language pathologist as a change agent, Chester Cty. IU, PA, March, 1990.
285. Understanding and managing learning difficulties in the classroom: The role of attention and temperament, John XXIII, Middletown, OH, 1989.
286. The media fail to educate: but do they inform? Symposium on the Media as an Educative Force, College of Saint Rose, 1987.
287. Dealing with a special child in a religious education classroom, Catechist Formation Day, Albany Diocese, New York, 1987.
288. ASHA Revisited: Assessing verbal apraxia in children--some considerations, CASHA, 1987.
289. Available community services for special needs, Rotary, Saratoga County, New York, 1987.
290. Social and classroom language use in adolescent and school age children, New York Association for the Learning Disabled Student Conference, April, 1987.
291. Facilitating listening, communication and problem solving in preschoolers, United Cerebral Palsy/Easter Seals, Albany, New York, 1987.
292. Facilitating communication skills in children or adults with Down Syndrome, Down Syndrome Aim High, Albany, New York, 1987.
293. Reactions to the Mentor-Intern Program in the State of New York, Saratoga County, 1987.
294. A metalinguistic approach to training syllable closure in preschool children, SWPSHA, Feb. 1986
295. Strategies for social and classroom language use with adolescent and school-age children, CASHA, Sept., 1986.
296. An introduction to the use of total communication in the classroom with developmentally delayed children, ARIN Intermediate Unit, Jan., 1985.
297. Understanding individual differences in students: Temperament or behavioral style, in-service, Woodland Hills, Jan., 1985.
298. The management of attention problems in the classroom, Hemfield School District, Jan., 1985.
299. Temperament and its role in learning and behavioral problems, Western Pennsylvania School for the Deaf, In-service, March, 1985.

300. Contributors to behavior management difficulties with special needs children, Association for Children with Learning Disabilities, Beaver, April, 1985.
301. Family issues for parents of the mentally retarded, Mental Health/Mental Retardation Conference, Pittsburgh, April, 1985.
302. An overview of pragmatics: Strategies for assessment and intervention, all-day workshop, AIU and Pittsburgh, Mt. Oliver Non-public Schools, April, 1985.
303. Language assessment and intervention in the classroom for the sensory impaired, in-service, TASIP, Butler, 1985.
304. Update on pragmatic strategies for assessment and intervention, in-service, TASIP, Butler, 1985.
305. Language assessment and intervention in the classroom, in-service, TASIP, Lehigh College, Allentown, 1985.
306. Conversation Piece on Speech Pathology and Audiology, radio show, Pittsburgh, Pa., 1985.
307. Update on Pragmatics: More strategies for assessment and intervention, Pittsburgh/Mt. Oliver IU, workshop, Oct., 1985.
308. Adapting the supervisory process to meeting clinician and client needs in a changing profession, Non-public Schools Administrators Association Fall Conference, Harrisburg, Oct., 1985.
309. An overview of pragmatics: Strategies for assessment and intervention, in-service, Pittsburgh Public Schools, Nov., 1985.
310. Assessment and remediation of language processing disorders in children; Capital Area Intermediate Unit., Feb., 1984, all-day workshop.
311. Vocal abuse in children, Pittsburgh Public Schools, March, 1984, workshop.
312. Temperament: A major contributor to learning and school related behavior problems, all day workshop, Forbes Regional Health Systems, June, 1984.
313. Parent Burnout: Family issues and stresses, Down Syndrome Group, Nov., 1984.
314. Language processing in children's elicited productions, Southwestern Pennsylvania Speech-Language-Hearing Association, Feb., 1983.
315. Assessing language in preschool children: Part I, St. Peter's Child Dev. Centers, March, 1983.
316. Assessing phonological and syntactic disorders in children, 1983. Three Rivers Conference, Pittsburgh, PA.
317. Assessing language in preschool children: Part II, St. Peter's Child Dev. Centers, May, 1983.
318. Language disorders in children, ACC Conference, Children's Hospital of Pittsburgh, Oct., 1983.
319. Successful communication in mothers of language disordered versus language normal children, Southwestern Pennsylvania Speech-Language-Hearing Association, Feb., 1982.
320. Identifying differential generalization effects in language training, 1982. Three Rivers Conference, Pittsburgh, PA.
321. Assessment and remediation of vocal abuse and voice disorders in school-aged children, 1982 Pennsylvania Speech-Language-Hearing Association Convention, short course, Harrisburg.

322. Assessment procedures for diagnosing communication deficits in children, Child Development Unit, Children's Hospital of Pittsburgh, August, 1982.
323. Assessment and remediation of vocal abuse and voice disorders in children, Capital Area Intermediate Unit, Oct., 1982, all-day workshop.
324. Assessment and remediation of vocal abuse in children, 1981. Three Rivers Conference mini-seminar, Pittsburgh.
325. Mother-child interaction and therapeutic implications, 1981. Three Rivers Conference mini-seminar, Pittsburgh.
326. Identifying language deficits through discourse analysis, Three Rivers Conference on Communication Disorders, Clinical Forum: New Dimensions in Lang. Intervention, May, 1981.
327. Practical uses of discourse analysis, Southwestern Pennsylvania Speech-Language-Hearing Association, Sept., 1981.
328. The co-occurrence of syntactic and phonological disorders in children, Pennsylvania Intermediate Units 16 & 17, Oct., 1981, all-day workshop.
329. Role of the parent and teacher in the speech/language programs in the schools, Sherman Betterment League, Norton, 1979.
330. Clinical implications for modeling as a therapeutic technique, Summit County Schools Speech Pathologists Association, Akron, 1978.

INVITED LECTURES (68)

1. Understanding our disciplines and interdisciplinary health care. Lecture to NH first year students in the College of Nursing and Health Sciences, UVM, November 2021
2. Understanding the social impairment in ASD and interventions to support social cognition. Grand Rounds, Pediatrics, UVM Health Network, March 2020.
3. Emotion recognition and theory of mind research in children with ASD. Lecture to students in AS: 096C, Drugs, Demons and Dancing, November, 2019
4. Theory of mind assessment and intervention in children with ASD, East China Normal University, Shanghai, China, October 2019
5. Understanding our disciplines and interdisciplinary health care. Lecture to NH first year students in the College of Nursing and Health Sciences, UVM, September 2019
6. Speech and Language Disorders, LCOM, Neural Sciences Course, UVM Medical Students, Active Learning Class, June 2019
7. Evidence-Based Social Communication Intervention for Children with ASD. Lecture to DPT students in the College of Nursing and Health Sciences, UVM, April, 2019.
8. Principles of IPE and Collaborative Practice: Learning that the whole is greater than the sum of the parts. Lecture to Gerontology IPE class for Undergraduates in CNHS, September, 2018.
9. Understanding our disciplines and interdisciplinary health care. Lecture to NH first year students in the College of Nursing and Health Sciences, UVM, September 2018.
10. Evidence-Based Interventions to support Social Communication in Children with ASD. Lecture to DPT students in the College of Nursing and Health Sciences, UVM, April, 2018.

11. Understanding Evidence-Based Interventions to support Social Communication in Children with ASD. Lecture to DPT students in the College of Nursing and Health Sciences, UVM, March, 2017.
12. Learning about Autism. Lecture to CSD students in CSD 20, College of Nursing and Health Sciences, UVM, March, 2017.
13. UVM Integrative Health, UVMMC Nursing Grand Rounds, April 2016.
14. Understanding Evidence-Based Interventions to support Social Communication in Children with ASD. Lecture to DPT students in the College of Nursing and Health Sciences, UVM, March, 2016.
15. Innovations in the Assessment of Theory of Mind in ASD. *Matthews-Rubin Lecture*, University of Pittsburgh, November, 2015.
16. Joint Attention. Lecture to faculty and staff at Jinan University in Guangzhou, China, October, 2015
17. Understanding our disciplines and interdisciplinary health care. Lecture to NH first year students in the College of Nursing and Health Sciences, UVM, September 2015
18. Understanding Autism Spectrum Disorders. Lecture to students in the Honors College, University of Vermont, March, 2015.
19. Understanding ASD and Evidence-Based Interventions to support Social Communication. Lecture to DPT students in the College of Nursing and Health Sciences, UVM, March, 2015
20. Understanding our disciplines and interdisciplinary health care. Lecture to NH first year students in the College of Nursing and Health Sciences, UVM, September 2014
21. Innovations in theory of mind assessment and intervention for children with ASD. Lecture to social work students in the College of Education & Social Services, UVM, April, 2014.
22. Evidence-Based Interventions to Support Social Communication in Children with ASD. Lecture to DPT students in the College of Nursing and Health Sciences, UVM, February, 2014.
23. Innovations in theory of mind assessment and intervention for children with ASD. Lecture to social work students in the College of Education & Social Services, UVM, October, 2013.
24. Understanding our disciplines and interdisciplinary health care. Lecture to NH first year students in the College of Nursing and Health Sciences, UVM, September 2013
25. What do we know about health and the environment? Lecture to interdisciplinary students in an introductory environmental sciences course in the Rubenstein School of Environment Science & Natural Resources, UVM, April, 2013.
26. Understanding ASD & Evidence-Based Interventions to Support Social Communication. Lecture to DPT students in the College of Nursing and Health Sciences, UVM, February, 2013
27. Understanding our disciplines and interdisciplinary health care. Lecture to NH first year students in the College of Nursing and Health Sciences, UVM, September 2012.
28. Understanding Autism Spectrum Disorders & the Impact on Families. Lecture to EDSP251 undergraduate class, November, 2012
29. Evidence-based intervention for children with ASD. Lecture to DPT students in the College of Nursing and Health Sciences, UVM, March, 2012

30. Understanding our disciplines and interdisciplinary health care. Lecture to NH first year students in the College of Nursing and Health Sciences, UVM, September 2011
31. Making intervention decisions in ASD. Lecture to DPT students in the College of Nursing and Health Sciences, UVM, March, 2011
32. Series of lectures on ASD (3 days), *Visiting Scholar*, Texas Christian University, February, 2011.
33. Series of lectures (10 days) on ASD and SLI to the Ministry of Health, Singapore, November-December, 2010
34. Understanding our disciplines and interdisciplinary health care. Lecture to NH first year students in the College of Nursing and Health Sciences, UVM, September 2010
35. Understanding the continuum of interventions in ASD. Lecture to DPT students in the College of Nursing and Health Sciences, UVM, March, 2010.
36. Understanding our disciplines and interdisciplinary health care. Lecture to NH first year students in the College of Nursing and Health Sciences, UVM, September 2009
37. Understanding the continuum of interventions in ASD & ways to evaluate the current evidence. Lecture to DPT students in the College of Nursing and Health Sciences, UVM, March, 2009.
38. Understanding social cognition in children with autism spectrum disorders: Assessing theory of mind and perspective taking. The Curry Education Research Lectureship Series, University of Virginia, Charlottesville, VA, January, 2009.
39. Children with ASD & Social Communication: Understanding the continuum of interventions in ASD and ways to evaluate the current evidence. *Van Riper Lecture*, Western Michigan University, October, 2008.
40. Evidence-based social communication strategies for children with ASD & limited verbal skills. *Van Riper Lecture*, Western Michigan University, October, 2008.
41. Impact of the Social Communication Issues Facing Individuals with ASD. Lecture presented to Psychiatry students & faculty, University of Vermont, September, 2008.
42. Behavioral Interventions in Autism. Lecture to be presented to Psychiatry students & faculty, University of Vermont, October, 2008.
43. From Evidence to Practice: Interventions for Children with Autism Spectrum Disorders. Lecture to Faculty & Students, Graduate Program in Communication Sciences & Disorders at the University of Rhode Island, Kingston, RI, September, 2007
44. Assessing Theory of Mind and Facilitating Perspective Taking in Children with Autism, Lecture, Neuroscience Graduate Program Faculty & Students, February, 2007
45. Peer Play in Children with Autism Spectrum Disorders, Lecture, Psychology 251, March, 2006
46. Assessment Issues for Children & Adolescents with Autism & Asperger Syndrome, Guest Lecture, Assessment Course in EBD, University of Vermont, December, 2004.
47. Semantics. Language Learning Disabilities Institute, Castleton State College, Castleton, VT, August, 2004.
48. Context Considerations for Language Learning Disabilities. Language Learning Disabilities Institute, Castleton State College, Castleton, VT, August, 2004.
49. Facilitating Joint Attention & Social Interaction in Children with Autism. University Scholar Talk, Graduate College, University of Vermont, Burlington, VT, April, 2004.

50. Children with Autism Spectrum Disorders & their families: Interdisciplinary assessment and strategies for intervention. Child Psychiatry Residents, University of Vermont Medical School and Dartmouth Medical School, May, 1999.
51. Interdisciplinary Assessment Practices for Children with Special Health Needs, Visiting Scholar, College of New Jersey, February, 1999.
52. Interdisciplinary Leadership Education, Psychiatry Residents, University of Vermont Medical School, May, 1996.
53. Language Acquisition, Critical Issues in Language & Literacy. Univ. of Vermont, Sept., 1995.
54. Expanding Discipline Roles in Teaming, Collaborative Preschool Programs. University of Cincinnati, February, 1995.
55. Expanding Discipline Roles, Collaborative Preschool Programs. Univ. of Cincinnati, Oct., 1994.
56. INCLUSION: Serving Speech-Language Impaired Children in the Classroom, Purdue University, Department of Audiology & Speech Sciences, Speaker Telephone Graduate Course, June, 1994.
57. The language of students identified as ADD, Institute on Learners with ADD: Successful strategies for assessment & management--Special Education, University of Cincinnati, June, 1992; June, 1993; & July, 1994.
58. Arena Assessment, Child Language Disorders II, University of Cincinnati, January, 1994.
59. Language in the Classroom: Establishing Collaborative Partnerships to Effect Change in Children--New Models for Servicing Children with Language & Communication Problems, University of Akron, Akron, OH, August, 1993.

60. Integrating Curriculum through Collaboration, Scholar Lecture Series, Miami Valley Speech & Hearing Association, March, 1993.
61. Using writing to learn, Teacher Effectiveness Workshop, Division of Research & Advance Studies, University of Cincinnati, September, 1992; September, 1993.
62. The language of students with Attention Deficit Disorder, Xavier University, October, 1992.
63. Collaboration among SLPs, teachers and parents, Parent Counseling--Special Education, University of Cincinnati, 1991.
64. Language intervention for infants and toddlers, Clinical Approaches to Child Language Disorders, University of Pittsburgh, 1983-1986
65. Evaluating the effectiveness of language programs, Clinical Approaches to Child Disorders, University of Pittsburgh, 1983-1986
66. Language development in preschool children, Western Psychiatric Institute, Pittsburgh, 1983.
67. Identifying language disorders through discourse analysis, Clinical Approaches to Child Language Disorders, University of Pittsburgh, 1982.
68. Vocal abuse and voice disorders in school-aged children, Seminar in Voice Disorders, Cleft Palate Center, University of Pittsburgh, 1981.

GRADUATE STUDENT RESEARCH MENTORSHIP

University of Vermont (154 students served in my role as primary advisor, co-advisor, chair, committee member)

Primary Advisor, **doctoral dissertation** in Interprofessional Health Sciences (in progress)

Primary Advisor, **doctoral dissertation** in Neuroscience (completed 2021)

Chairperson/Primary Advisor for **38 masters research projects/publishable papers/case presentations** in *communication sciences & disorders* (2 completed, 1996; 1 completed, 1997; 1 completed in 1998; 5 completed in 1999, 7 completed in 2000, 4 completed in 2001, 1 completed in 2002, 3 completed in 2003, 4 completed in 2004; 3 completed in 2005; 2 completed in 2006; 2 completed in 2007; 1 completed in 2010; 1 completed in 2011; 1 completed in 2017; 1 completed in 2021)

Primary Advisor or Co-Advisor of **10 masters theses** in *communication sciences* (1 completed, 2004; 2 completed, 2005; 1 completed, 2007; 3 completed, 2008; 3 completed in 2010)

Primary Advisor, **2 McNair Scholars** in communication sciences (1 completed in 2008; 1 completed in 2009)

Primary Advisor or Co-Advisor, **1 senior honors thesis** in *psychology & communication sciences* (completed 2005); **2 senior honors theses** in *neuroscience* (completed in 2021); **14 senior honors theses** in *communication sciences & disorders* (1 completed, 2001; 1 completed, 2009; 2 completed, 2011; 1 completed in 2012; 1 completed in 2013; 1 completed in 2014; 1 completed in 2015; 1 completed in 2017; 1 completed in 2018; 1 completed in 2020; 2 completed in 2021; 1 in completed in 2022)

Chairperson, **11 senior honors theses** in *psychology* (1 completed in 1996; 1 completed in 2006; 1 completed in 2008; 1 completed in 2011; 1 completed in 2012; 2 completed in 2013; 1 completed in 2014; 1 completed in 2015; 1 completed in 2018; 1 completed in 2019)

Committee member, **8 masters theses** in *communication sciences & disorders* (3 completed in 2013; 1 completed in 2015; 1 completed in 2017; 1 in 2021; 1 in 2022; 1 in 2023)

Committee member, **13 masters research projects** in *communication sciences* (2 completed, 2002; 4 completed, 2003, 3 completed, 2006; 1 completed, 2008; 2 completed, 2009; 1 completed in 2010)

Committee member, **2 masters research case presentations** in *communication sciences* (1 completed, 2005; 1 completed, 2007)

Committee member, **2 senior honor's thesis** in *communication sciences* (1 completed, 2006; 1 completed, 2012)

Chairperson, **2 masters oral projects** in *early childhood/special education* (completed, 1999)

Chairperson, **master's thesis** in *nutritional sciences* (completed, 1999)

Chairperson, **master's thesis** in *nursing* (completed, 2002)

Chairperson, **master's thesis** in *integrated studies* (completed, 2015)

Chairperson, **12 master's theses** in *psychology* (1 completed, 1999; 1 completed, 2001, 1 completed, 2002; 2 completed, 2007; 1 completed, 2009; 1 completed, 2012; 1 completed, 2015; 1 completed, 2019; 1 completed, 2020; 2 in progress)

Chairperson, **22 doctoral dissertations** in *psychology* (1 completed, 1999; 1 completed, 2002; 1 completed, 2005; 4 completed, 2007; 6 completed in 2009; 2 completed in 2011; 2 completed in 2013; 1 completed in 2015; 1 completed in 2016; 1 completed in 2019; 2 in progress)

Chairperson, **4 doctoral dissertations** in *educational leadership* (2 completed, 2004; 1 completed 2010; 1 completed, 2015)
Committee member, **2 doctoral dissertations** in *interprofessional health sciences* (completed, 2021; 1 in progress)
Committee member, **doctoral dissertation** in *psychology* (completed, 2000)
Chairperson, **doctoral dissertation** in *clinical and translational science* (in progress)
Committee member, **doctoral dissertation** in *clinical & translational science* (in progress)
Committee member, **master's thesis** in *early childhood special education* (completed, 1998)

McGill University (2 dissertations)

Committee member, **1 doctoral dissertation** in rehabilitation sciences (completed in 2011)
Co-Advisor, **1 doctoral dissertation** in rehabilitation sciences (completed in 2014)

University of Cincinnati (61 theses/dissertations)

Chairperson of **23 theses/publishable papers** in *communication sciences & disorders*
Committee member for **25 theses/publishable papers** in *communication sciences & disorders*
Chairperson for **3 doctoral academic committees** in *communication sciences & disorders*
Member, **3 doctoral academic committees** in *early childhood/special education*
Chairperson/Primary Advisor, **3 doctoral dissertations** in *communication sciences & disorders*
Committee member, **4 doctoral dissertations** in *early childhood/special education*

COURSES TAUGHT

University of Vermont

Language Learning Disabilities, University of Vermont, Spring, 1997, 2001, 2002, 2003, Fall, 2004, 2005, 2006, 2007, 2008, 2009

Interdisciplinary Leadership & Research Seminar I/Seminar in Neurodevelopmental Disabilities I, Fall, 1995 through 2008

Interdisciplinary Leadership & Research Seminar II/Seminar in Neurodevelopmental Disabilities II, Spring 1996 through 2007, 2009

Autism Spectrum Disorders: Issues in Assessment & Intervention, Fall 2002, 2003, Spring, 2005 through 2023

Adolescent Issues in Autism, Fall/Spring, 1999-2000

Addressing Speech & Language Concerns in Young Children, Fall/Spring, 1999-2000

Collaborative Intervention in School Settings, Summer, 1995, 1996; Fall, 2000

Seminar in Autism I: Understanding Autism Spectrum Disorders & Creating Diagnostic Profiles, Fall, 1997, 1998, 1999, 2000

Seminar in Autism II: Understanding & Implementing Effective Intervention, Spring, 1998, 1999 2000 & 2001

Summer Autism Institute: Addressing Assessment & Intervention Needs of Children with Autism Spectrum Disorders and their Families, Summer, 1998 through 2015

Phonological Awareness: Implications for Lang. Learn. & Spelling in the Classroom, Spring, 1996

Curriculum & Technology: Evaluation & Curriculum Planning for Young Children with Disabilities, Summer, 1995, Fall, 1995, Summer, 1996

Innovative Practices for the Classroom in the Area of Speech & Language, Spring, 1995

University of Cincinnati

Collaborative Teaming I, 1994

Collaborative Teaming II, 1994

Directed Problems in Play-Based Assessment (Doctoral Seminar), 1994

Seminar in School/Preschool Issues, 1993, 1994

Dissertation Research I, II, & III, 1993, 1994

Directed Problems in Speech-Language, 1991, 1992, 1993, 1994

Collaborative Preschool Programs, 1992, 1993

Implementing Collaborative Models for School Programs, 1992, 1993

Masters Research Projects in Speech-Language I, II, & III, 1990, 1991, 1992, 1993

Collaborative Models in School Programs, 1990, 1991, 1992

Seminar in Student Teaching, 1989, 1990, 1991, 1992

Special Topics in Communication Disorders, 1991

Independent Study in Transcription Phonetics, 1991

Practicum Seminar, 1991

Organization and Management of a School Communication Disorders Program, 1990

Voice and Articulation, 1989, 1990

Introduction to Communication Disorders, 1989, 1990

Phonetics, 1989

Communication Development in Children, 1988, 1989, 1990

College of Saint Rose

Articulation Disorders, 1987
Survey of the Nature of Communication Disorders, 1987
Phonetics, 1987
Seminar in Articulation, 1987
Research Methods in Speech Language Pathology, 1987
Supervised Observation, 1986, 1987
Differential Diagnosis, 1986
Language Disorders, 1986
Diagnostic Procedures, 1986

University of Pittsburgh

Differential Diagnosis, 1982
Seminar in Child Language Disorders, 1982
Clinical Approaches to Child Language Disorders, 1982
Language Development, 1981, 1982
Nature of Language, 1981, 1982
Seminar in Articulation Disorders, 1981

Kent State University

Voice and Diction, 1976-77
