

## EAB Navigate – Service Times

January 2021

When requesting support through Navigate, students schedule appointments by service (i.e. appointment reason). Most appointment services correspond to 30-minute appointments.

Any service you select while setting your availability allows students to schedule 30-minute appointments, EXCEPT:

<b>Location:</b>	<b>Service:</b>	<b>Time:</b>
CALS	Meet with my Academic Advisor	20 minutes
CAS	Faculty Advising	20 minutes
CEMS	Career - Mock Interview	60 minutes
CESS	Meet with my Professor	20 minutes
GSB	Non-Grossman Registration	15 minutes
<b>All locations*</b>	Office Hours-20 Min	20 minutes
<b>All locations*</b>	Office Hours-15 Min	15 minutes

*Note: The services above are related to appointments. When setting your availability for campaigns, you are able to specify your own unique appointment length within the campaign detail settings.*

*\*The "All locations" indicator includes the Environmental Program.*
