**CATAMOUNT CORE: UVM’S GENERAL EDUCATION CURRICULUM**

**CAS DISTRIBUTION**

Students must complete coursework that, when combined, meets the university’s Catamount Core Curriculum (CCC) requirements and the College of Arts and Sciences requirements. In most cases, completing the college requirements will result in completing the university requirements as well. Courses used to satisfy these requirements may not be taken on a pass/no pass basis.

Students will be able to take courses that fulfill more than one category, but they must still take at least 40 unique credits of courses that have been approved to fulfill CATAMOUNT CORE CURRICULUM requirements.

---
