

How to Search for Awards

- Access to awards is controlled by assigned user roles.
- Principal Investigators can generally see just their own awards.
- Deans, Chairs and Departmental Administrators can generally see all awards across UVM.
- There are two designated department roles for awards: PI and Department Administrator.

How to Search

1. Click Grants
2. Click Awards
3. A list of awards will appear
4. Use Tabs
 - Awards Tab shows all awards
 - Active Awards Tab shows all awards in an Active state
 - Draft Awards Tab shows awards in Draft state
 - Awards in Review Tab shows awards in a review state
 - Subaward Tab shows subawards entered into UVMClick
 - Award Modifications Tab shows all award modifications
5. Use “Filter by” section to filter by any of the column headings. Within “Filter by” use **percent sign %** as a wild card to aid your search.
6. Sort by Columns - You may sort by any of the column headings to aid your search.
7. Once you locate the specific award you are looking for, click on the Name hyperlink to open the award record.
