Respond to a Clarification or Change Request - last updated 01-31-19

Sometimes UVM’s Research Compliance Officer will have questions or will require you to make corrections to your Certification.

In this case, you will receive a notification (and an email) requesting a clarification or a change.

The email notification will include a link to the Certification

Read the email for details about the clarification or change request.
Click the email link to open the Certification.

**NOTE:** If you no longer have the email, login to the UVMClick-FCOI system and it will appear in your “My-Inbox.”

See the following User Guides for assistance on navigating to a Certification disclosure in “My Inbox”:
- How to Login
- My Inbox
- Navigation and Basic Tasks
- Completing and Submitting a Certification

Once you open the specific Certification, view the History tab for any review comments.
To update the Certification, click the **Edit Disclosures** button.
Make the requested changes in your Certification and click **Finish** on the last page.
Once you are ready to submit the change back to the COI Administrator, click the “**Submit Changes**” activity.

1. Click Submit Changes button

2. You will get a pop-up that looks like this. In the Additional notes box, type your response to the reviewer. This is an optional step. You need not add additional notes if not relevant.
   Click **OK**. You can log off the system.
