Relationship with Davis Center Vendors

- Do we want to bring the Davis Center vendors onto the RFWG now that we are auditing their purchases? If so, in what capacity?
 - If we add more non-students we will have to add more students
 - Ben and Jerry's and New World are sub-contracted through Sodexo and are technically represented by Melissa
 - Bookstore, Cat Pause, and Hendersons are university owned entities and are not currently represented on the RFWG
 - Joe may be able to represent them
 - They are willing to attend meetings but do not feel strongly about it
 - We will invite Ben and Jerry's and New World to at least one meeting per year

Meeting with the President

- Tuesday, April 29, 2pm - 2:30pm
- Ani, Alison, Caylin, and Annalena will present
 - Anyone else who is interested can email Ani
- Content suggestions

Transparency of the RFWG

- Do we want to publicize our minutes?
- It has been brought to our attention that students perceive the RFWG as “elitist”
- It would be a good opportunity for students to feel more informed about the process
- We can post them on our website

- If you are in a conversation that you do not want included in the minutes you need to make it known
