NSF GRADUATE RESEARCH FELLOWSHIP
Fall 2022 Workshop Series

Presented by
The Office of Research Development (RD)
The Office of Fellowships, Opportunities, and Undergraduate Research (FOUR)

Session 1: GRFP Information and Overview Session
Wednesday, September 7, 5-6 PM
Overview of the GRFP application process, eligibility, and award.

Session 2: How to Write Your Research Plan and Personal Statement
Wednesday, September 14, 5-6 PM
Best practices for writing the main components of your proposal.

Session 3: Panel Discussion with GRFP Reviewers and UVM's Award Manager
Wednesday, September 21, 5-6 PM
Ask questions about what makes a successful proposal and how the award can fund your studies.

Session 4: Peer Review Workshop
Wednesday, September 28, 5-6 PM
Go over NSF's review criteria, get and give feedback to improve your proposal.
