ON-LINE RENEWAL CONSISTS OF SIX (6) SECTIONS. You will need information from your **current registration certificate** in order to login. Please have the following information available **before** you begin the application:

Section 1. Personal/Business Information

Review current information. Update any changes to address, phone numbers, email address

Section 2. Activity

Update any changes to drug schedule or drug codes. **In addition** - Certain registrants for forms 225 and 510 will need to provide specific drug codes and/or chemical codes related to their operations.

Section 3. State License(s)

It is mandatory to provide required State medical and/or controlled substance licenses/registrations.

Section 4. Background Information

Information pertaining to controlled substances in the applicant's background.

Section 6. Confirmation

Applicants will confirm the entered information, make corrections if needed, and electronically submit the application and a submission confirmation will be presented. Applicants will be able to print copies for their records.

WARNING: 21 USC 843(d), states that any person who knowingly or intentionally furnishes false or fraudulent information in the application is subject to a term of imprisonment of not more than 4 years and a fine under Title 18 of not more than \$250,000, or both.

ADDITIONAL INFORMATION

Form 225A *Approved OMB Form No. 1117-0012 Expires: 06/30/2025 (15 minutes)*

- No registration will be issued unless a completed application form has been received (21 CFR 1301.13).
- In accordance with the Paperwork Reduction Act of 1995, no person is required to respond to a collection of information unless it displays a valid OMB control number. The OMB number for this collection is (See Above). Public reporting burden for this collection of information is estimated to average (See Above) per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the information.
- The Debt Collection Improvements Act of 1996 (31 U.S.C. §7701) requires that you furnish your Taxpayer Identification Number (TIN) or Social Security Number (SSN) on this application. This number is required for debt collection procedures if your fee is not collectible.
- PRIVACY ACT NOTICE:**
Providing information other than your SSN or TIN is voluntary; however, failure to furnish it will preclude processing of the application. The authorities for collection of this information are §§302 and 303 of the Controlled Substances Act (CSA) (21 U.S.C. §§ 822 and 823). The principle purpose for which the information will be used is to register applicants pursuant to the CSA. The information may be disclosed to other Federal law enforcement and regulatory agencies for law enforcement and regulatory purposes, State and local law enforcement and regulatory agencies for law enforcement and regulatory purposes, and person registered under the CSA for the purpose of verifying registration. For further guidance regarding how your information may be used or disclosed, and a complete list of the routine uses of this collection, please see the DEA System of Records Notice "Controlled Substances Act Registration Records" (DEA-005), 52 FR 47208, December 11, 1987, as modified.

Section 4: Confirm the schedules of drugs you are currently approved for (do not change from what you're approved for! Applying for use of additional schedules of substances should be done in a separate transaction with the DEA and not during renewal process. Making changes here now will hold up your review at the DEA)

Note: 222 order forms never expire. Only order if you need them.

Note: The second check-box is typically "no". There are no labs here currently manufacturing 2/2n substances at UVM. You will, however, need to verify that the company you purchase Schedule 2/2n substances from is not outside the US.

Click proceed when you're finished filling out this section.

Section 7: Note: If you selected No to the import and manufacturer question in section #4. Nothing will populate in this box

You have not selected any Drug Schedules that require drug code entry. Select Proceed or Update to continue.

Researchers requesting Schedule II are only required to report drug codes for Schedule II substances which they manufacture or import as a coincident activity of their registration. You have indicated (on the previous Business Activity/Schedule page) that you do not. If this is not correct and you need to enter drug codes, please navigate back to the Business Activity/Schedule and select the appropriate checkbox.

More details regarding drug/chemical schedules can be found in [21 CFR 1308](#).
