PUBLICATIONS

Books and Edited Volumes

Philoponus: On Aristotle's Categories 1–5. (2015) Translated, with notes, by Riin Sirkel, Martin Tweedale, and John Harris. *The Ancient Commentators on Aristotle*. New York, London: Bloomsbury.

My role in the authorship: 75% contribution. The initial translation of the text (app. 100 pages) was a combined effort of Martin Tweedale, John Harris, and I. I revised our initial translation in light of comments from reviewers, wrote app. 170 endnotes, and wrote a glossary of translated terms.

Aristotelian Metaphysics: Essence and Ground. (2014). Edited by Riin Sirkel and Tuomas Tahko. Special issue of *Studia Philosophica Estonica*, Volume 7.2.

The special issue is available online at: <http://www.spe.ut.ee/ojs/index.php/spe/index>

Thomas Aquinas: De Ente et Essentia. (Forthcoming) Translated into Estonian, with commentary, by Riin Sirkel. Series *Bibliotheca Philosophica*, Tallinn University Press.

The translation, including parallel Latin text, with notes (22 300 words) is accompanied by a commentary (27 578 words). The commentary aims to explain some of the central terms and arguments in Aquinas's treatise, and their background in Aristotle and Aristotelian philosophy.
