Perennial Summer Internship Program - 2022

Internship Title: Nantucket Land Council Summer Internship

Internship Site: Nantucket, Massachusetts

Description: The Nantucket Land Council (NLC) summer internship program will support the NLC's environmental programs including research, education & outreach, advocacy and land protection. The internship will focus on supporting the Resource Ecologist with a multitude of projects across many disciplines. The responsibilities of the intern will include:

1. Assisting with data collection and fieldwork for NLC's ongoing summer research projects focused on the health of our island's marine and freshwater resources. These projects may include, among others: Eelgrass monitoring and health assessment, European green crab monitoring, freshwater pond water quality sampling, and freshwater pond harmful algae bloom monitoring;
2. Assisting with ongoing equipment maintenance and sample processing/shipping;
3. Assisting with educational programs either in person or via a video, virtual platform;
4. Assisting with communication via the writing and creation of newsletter articles and/or social media messaging;
5. Preparing and completing conservation easement property inspections and reports;
6. Conducting an independent policy focused research project with assistance from staff.

Desired qualifications/skills/coursework: Desired qualifications include some background in biological, environmental or natural resources sciences/studies, writing and communication skills, with lab or field experience and education or leadership experience preferred. A great candidate will be a self-starter, a team player with a strong desire to learn and an ability to work independently.

***Rubenstein students currently in their sophomore and junior years are eligible to apply. Seniors graduating in May 2022 are not eligible to apply. Earning Independent Study or Internship credit through the Rubenstein Internship Program is required. Due to possible restrictions related to the ongoing COVID-19 pandemic, Perennial Internships may happen as described or be modified. ***

Supervision: The NLC's Resource Ecologist, Nantucket Waterkeeper, will be the primary supervisor of the intern, with additional supervision from the Executive Director and Development Director.

Start and End Dates: Mid-May – Mid-August, 2022 (exact start/end dates are negotiable)

Total Hours: 30 hours/week for 14 weeks (preferred)

Compensation: \$13.55/hour
