University of Vermont

Perennial Summer Internship Program – 2022

Internship Title: Stewardship Assistant

Internship Site: The Nature Conservancy, Montpelier

Description: The Nature Conservancy's mission is to protect the lands and waters on which all life depends. In Vermont, this is accomplished through the efforts of a dedicated team of staff working on a wide variety of land protection strategies. The Stewardship Assistant is based in Montpelier and will work directly with the Stewardship Manager as well as with other staff, AmeriCorps members, and volunteers to advance conservation across the state. This person will primarily be involved with hands-on, outdoor field work (both as part of a team as well as independently) to complete vital land stewardship tasks on natural areas throughout Vermont. In addition to field work, the Stewardship Assistant will also assist with office tasks such as mapping, data management, and reporting, with opportunities to work on special events or projects.

The Stewardship Assistant participates in all aspects of preserve operations, maintenance, and management. This may include the following functions:

- Provide support for outdoor stewardship workdays with individual and group volunteers throughout Vermont.
- Maintain walking trails, signs, ledger boxes, kiosks, parking areas and property boundaries.
- Conduct monitoring visits to TNC preserves and lands under conservation easements and complete annual inspection reports.
- Prepare for and follow up on stewardship workdays, including equipment maintenance and cleaning, record keeping and volunteer communication.
- Conduct basic GIS (Geographic Information Systems) mapping and data collection with GPS units.

Position involves travel across the state (work vehicle provided) but is based in Montpelier, Vermont which is serviced by the GMT Regional bus service. UVM students can use this service for free with a valid ID.

Eligibility: Rubenstein students who will have completed their sophomore or junior year by May 2022 are eligible to apply. Students graduating May 2022 are not eligible to apply.

Desired qualifications/skills/coursework:

Basic Qualifications

- Demonstrated ability to work independently and take initiative as well as be a team player.
- Ability and enthusiasm to do repetitive physical labor outdoors and to work some long days, or (rarely) evenings/weekends for special events.
- Field experience in natural science, land stewardship, and/or related field.
- Ability to work with a diversity of volunteers, staff, community leaders, and organizational partners.
- Computer literate, working knowledge of Microsoft programs.
- Valid driver's license and safe driving record.

Required Knowledge and Skills

- Ability to perform physical work in inclement weather at remote locations, on difficult and hazardous terrain, and under physically demanding circumstances.
- Ability to follow instructions from colleagues.
- Familiarity with Vermont flora and fauna; understanding of basic ecology; plant identification skills.

***Rubenstein students currently in their sophomore and junior years are eligible to apply. Seniors graduating in May 2022 are not eligible to apply. Earning Independent Study or Internship credit through the Rubenstein Internship Program is required. Due to possible restrictions related to the ongoing COVID-19 pandemic, Perennial Internships may happen as described or be modified. ***

Supervision: Stewardship Assistant will be an integral part of the Stewardship Team and work both under direct supervision and independently. The supervisor for the position will be Jack Markoski, Stewardship Manager.

Start and End Dates: Late-May – Early-August, 2022 (exact start/end dates are negotiable)

Total Hours: 35 hours/week, 10 weeks

Compensation: \$13.55/hour
