Perennial Summer Internship Program - 2019

Internship Title: Forest Inventory Intern

Internship Site: Jay State Forest (Jay, Montgomery, Richford, Westfield)

Description: This internship will provide students with exposure to a wide range of issues related to public land management with the primary focus on the design and collection of traditional forest inventory data on Jay State Forest. Jay State Forest is situated in northern Vermont along the spine of the Green Mountains. Interns will gain experience with designing a timber cruise, collecting accurate field data and compiling information into a report which will inform the long-range management plan for this parcel. Measurements will be taken on overstory trees, understory vegetation and woody material as part of the broader assessment. Interns will be supervised by a licensed forester with the Department of Forests, Parks and Recreation and have access to Dr. Tony D’Amato (UVM Forestry) for instruction and technical assistance throughout the internship.

Desired qualifications/skills/coursework:

Excellent communication skills

Knowledgeable of VT tree species (dendrology)

Knowledgeable of tree measurements, forest inventory techniques, and forest navigation

GPS and GIS experience

Supervision: Interns will be supervised by a licensed forester with the Department of Forests, Parks and Recreation and have access to Dr. Tony D’Amato (UVM Forestry) for instruction and technical assistance through regular meetings over the course of the internship.

Start and End Dates: Mid-May – Mid-August, 2019 (exact start/end dates are negotiable)

Total Hours: 40 hours/week, 12 weeks

Compensation: $12.50/hour

*Rubenstein students who will have completed their sophomore or junior year by May 2019 are eligible to apply. Rubenstein students can apply for up to 3 Perennial Internships. Earning internship credit through the Rubenstein Internship Program will be required.*
