## Start a New Proposal

### Other Federal Agencies (System-to-System)

#### Assemble your Proposal Information

Before creating a proposal record in InfoEd, you should have ready some key pieces of information about your project.

This information does not need to be final.

After creating the proposal, you may continue to make changes until you are ready to submit.

To start your proposal in InfoEd, you must provide the following details:

- Principal Investigator
- Sponsor Funding Opportunity (Grants.gov Opportunity Number)
- Proposal Department
- Proposal Center/Program (if applicable)
- Proposal Type: New Proposal or Competitive Renewal
- Sponsor Name
- Project Title
- Project Start and End Dates
- Submission Deadline
- F&A Rate Type (Research on Campus, for instance)

Additional information specific to your specific federal agency funding opportunity

- Will your proposal involve the use of human subjects?
- Will your proposal involve the use of laboratory animals?

If you have preliminary answers to all of the above, you are ready to begin.

Start a New Proposal
Other Federal Agencies (System-to-System)

Create New Proposal

1. Login to InfoEd using the link on the UVM SPA Home Page - https://spogi.uvm.edu
2. Click the "Proposals" button at top left corner (see below).
3. Click the "Create New Proposal" button (see below).

If you do not have a "Proposal" button or a "Create New Proposal" button, please contact SPA for assistance.
New Proposal Questionnaire

The New Proposal Questionnaire takes you step-by-step through the essential details of your proposal.

Answer each question with the most current information you have, then click “continue” to go on to the next question.

Remember, you may still correct or change this information after you create the proposal.

Principal Investigator

The PI name will default to the name of whoever has logged in to InfoEd to create the proposal. If you are a PI starting your own proposal, your name should appear correctly at the top of the page (see below). If you are a Department Administrator creating a proposal on the PI’s behalf, you will need to change the name as follows:

1. Click the “Change” hyperlink.
2. Begin typing the PI's name until the name appears in the drop-down list.
3. Select the name and click “Continue.”
4. If the PI name does not appear in the drop-down list, please contact SPA for assistance.
5. Click continue
Select from Grants.Gov Opportunities
1. Pick "Select from Grants.gov Opportunities" in pick list
2. Click Continue.
3. Enter your Grants.gov Funding Opportunity Number and Click Search
4. This will open a live web services link to Grants.gov web site where you will be able to identify and select your funding opportunity.
5. The Search will bring up all opportunities that fit your criteria

1. Most proposals will be either a New Proposal - Master Record or a Competitive Renewal - Master Record.
2. Select the appropriate type and click “Continue.”
3. Note: If you are working with a Continuation or a Supplement on an existing award, please contact your SPA Research Administrator.
4. Click Continue
5. Sponsor name will be automatically selected and brought into your application
**Enter Project Title**
1. Enter proposal title with the major words capitalized. Please be sure there are no punctuation marks or extra spaces at the end.
2. Click continue.

**New Proposal Questionnaire**
- **Step 0:** Confirm you intend for the PI of this proposal to be [Ruley Condol, Catherine Change]
- **Step 1:** “New” [Create a New Proposal]

**Step 4:** “Tracking” Number or “Proposal” Number [This proposal will be automatically numbered]
**Step 5:** Proposal’s Title [Demo of INTEd System to System for Various Federal Funding Opportunities]

**Enter Project Start and End Dates**
1. Enter the anticipated start and end date for your proposal and click “Continue.”
2. Be sure that your proposed start and end dates fall within the sponsor’s guidelines.
3. Click continue.

**Step 6:** What are the project start and end dates?
- **From:** 01-Oct-2018
- **To:** 30-Sep-2020

[Continue]
Confirm the Number of Budget Periods You Would Like

1. Confirm the number of budget periods is correct
2. Click continue

Is all the above Information Correct?

1. Review the information you provided in Questions 1 through 7
2. Use Back button at top right corner to step back though responses for any needed corrections.
3. Confirm the information you have entered or use the "Step back through responses" button to make corrections. Click Create Proposal button.

InfoEd Proposal Number Assigned

1. InfoEd will assign a new proposal number.
2. Write down the proposal number so you can easily find it later on.
Setup Questions Tab

The InfoEd "Setup Questions Tab" will prompt you for responses to the questions

**Submission Mechanism / Form Information**

1. Proposal Sponsor: Do not change.
2. Submission Mechanism/Screen Template: Do not change.

**Grants.gov Submission Information**

1. Make sure the Opportunity Number and other information in this section matches your intended funding opportunity.

2. Scroll down to Form section - The forms will auto populate based on your specific funding opportunity.

**Deadline Information**

1. InfoEd will guess at the right date, and is often wrong.
2. Enter the correct deadline for your submission if different
General Proposal Properties

The Associated Department will automatically default to the Principal Investigator's Home Department.

If the proposal should be setup in a department other than the Principal Investigator's home department, click the Add button to add the correct department.

Then save the page, using the save button at top left corner.
Then click the radio dial to change the Associated Department to the new Department. Save the page again, using save button at top left corner.
Finally, use the "remove" button next to the incorrect department to remove it. There should only be one department listed here.

Associate Centers/Programs

The Associated Centers/Programs will automatically default to "None Identified".
For most proposals, you need not do anything else with this field. Leave it as "None identified."
However, if you intend to use the PeopleSoft "Program" Chartfield, click the Add button and locate the Center/Program from the list.
Then save the page, using the save button at top left corner.
If you cannot find the appropriate Center/Program, please contact SPA for assistance.

Budget Setup Information

Program Type - UVM F&A Rate
Select Program Type - Select from drop box the appropriate F&A Rate to be used.
If you don't know which F&A Rate Type to pick, contact SPA for assistance
Indicate whether the majority of the work will be done On Campus or Off Campus.
This should match the F&A Rate you selected above.
Save and Continue
Your proposal record is now set up and you can begin completing the rest of the tabs.
Click Save and Continue. The proposal Setup Questions are now complete.
This is the SF424 Cover page.
Most of the information is automatically populated from the Principal Investigator's InfoEd Profile and from the InfoEd Institutional Data. Populate the remaining fields and when done, click the "Completed" box at top right corner of Tab.

Use dropbox to select the COLLEGE of the PI. It will appear in all Capital Letters in pick list.

Select SPA Research Administrator Name from the pick list to populate this section.
When the data is completed, click the "Completed" checkbox at top right corner of Tab.

The budget figures will pull in from the Budget Tab once the SPA Research Administrator enters the budget data.

Use pick list to select Sonya Stern's name for this section.
Other Federal Agencies (System-to-System)

Personnel Tab

After the SPA Research Administrator has entered the budget data on the Budget Tab, the Personnel tab will show a list of personnel. Please do not add personnel to this tab yourself. Instead, ask your SPA Research Administrator to add people, as necessary.

Once the personnel appear on this tab, please upload the CV/Biosketch for all Key Personnel. When the data is completed, click the "Completed" checkbox at top right corner of Tab.
Your SPA Research Administrator will enter the budget details on this tab. The Principal Investigator will upload the Budget Justification on this Tab. When the data is completed, click the "Complete Budget" button at top right corner of Tab. Then click "Done" to close the window.

1) This page opens in a separate window.
2) Your SPA Research Administrator will populate the Budget Tab for you after you’ve reach agreement on the final SPA Budget Worksheet (excel worksheet).
3) You will then upload the Budget Justification in the tab called “Justifications” on the left navigation bar.
4) When the Budget figures are entered and the Budget Justification is uploaded, click the “Complete Budget” button at top right aide of page. Then close this window.

Internal Documents Tab

There are typically 2 or 3 documents uploaded at the bottom on this Tab.

1. SPA Routing Form (required)
   The Principal Investigator or the Department Administrator will open and complete the SPA Routing Form, which is now an electronic form embedded within InfoEd on the Internal Documents Tab.

2. SPA Budget Worksheet (required)
   The SPA Research Administrator work closely with Principal Investigator and Department Administrator to develop the proposal budget using the below excel SPA Budget Worksheet. Once the budget is completed, SPA will upload a pdf version of the spreadsheet to InfoEd.

3. Grants.gov Instructions - Gets pulled in automatically when you create the proposal

Once all required documents are uploaded, click the "Complete" box at the top right corner to the tab.
This tab contains each of the sponsor-specific forms you will need for your proposal submission.

Click the "Edit" button to open and complete each of the forms.

When you are done, click the Save button at top left corner of Tab.

Then click the "Completed" button.

Finally, click the "Done" button to close the window.

All Tabs must be “Completed” to Build PDF/Form Pages and to Assemble Application

1. Build PDF/Form Pages - this will take a few moments to complete

2. Assemble Application/Build Grants.gov Application - This will create a single pdf representation of the proposal called “Assembled Doc”

3. Click the “Submit Final Review” Thumbs Up to start the route
Principal Investigator Certification

PI reads PI Certification - clicks "Accepted" - enters UVM Net ID at prompt - clicks Continue button
If a PI Delegate starts the route, the PI is obligated to send the PI Certification to SPA via email.
The PI Certification must be received in SPA before the proposal may be submitted to the sponsor.

Submit to Internal Route

After a few moments, a list of the required approvers will appear.

PI clicks Submit button to start internal route.

Once the route is successfully started, the PI will see a new window open on Finalize Tab that shows "Active Routing Progress. The PI can check here to see progress of internal approvals.

Submit to Route - Click Submit button to start route

Once route is started, this new box opens so that the Principal Investigator can monitor the routing progress.
Lock Down - When Proposal is In Route, it is in “Lock Down” mode

While the proposal in in route for approvals, it is in lock down mode and the Principal Investigator will no longer be able to edit the proposal in InfoEd.

We expect that the Principal Investigator will continue to tweak the proposal documents outside of the InfoEd system.

Electronic Routing System - Review Dashboard - This is how Deans and Chairs Approve Proposal

Chairs and Deans receive notification to review and approve your proposal in three different ways

1) UVM Email system
2) InfoEd My Messages (a back up method if the email is accidentally deleted)
3) InfoEd Action Items (another back up method if the email is accidentally deleted)

Final Steps - After the Route is Completed

While the proposal is in route for approvals, it is in lock down mode

The Principal Investigator will not be able to edit the proposal.

We expect that the Principal Investigator will continue to tweak the proposal documents.

Once the route is approved, the SPA RA will update the proposal status and the Principal Investigator will be able to replace any draft documents with the final documents.

The SPA RA will NOT submit the proposal to USDA NIFA until the Principal Investigator confirms that all uploaded documents and data is in final form.

SPA Research Administrator Final Review & Submission to Grants.gov

Once the PI notifies the SPA RA that the proposal is done and final, the SPA RA performs a detailed review of the final version of the proposal.

The SPA RA notifies the PI of any final edits or corrections that need to be made.

The SPA RA ensures that all COI disclosures are up to date.

Then the SPA RA clicks the "Submit to Grants.Gov" button.

Note: Only SPA RA role has authorization to click this button. If anyone outside of SPA tries to submit to Grants.gov, an error message will appear.

Grants.gov Validation Emails

Grants.gov receives the proposal, assigns it a Grants.gov Tracking number, and sends a series of four emails to SPA.

1. GRANT12021024 Your application has been received by Grants.gov, and is currently being validated.
2. GRANT12021024 Your application has been received and validated by Grants.gov and is being prepared for Grantor agency retrieval.
3. GRANT12021024 Your application has been retrieved by the Grantor agency.
4. GRANT12021024 Grantor agency has assigned the following Agency Tracking Number to your application: 387234.

These emails are NOT sent to the PI - Just to SPA

These emails will let us know if there is a failure at Grants.gov.

The final email will indicate that the proposal was retrieved by Grants.gov.

The SPA Research Administrator will forward you the final email so that you have confirmation the proposal was retrieved by sponsor.
