Limited Competition: The Camille Dreyfus Teacher-Scholar Awards Program
Dreyfus Foundation Deadline: February 08, 2018
UVM Internal Deadline: December 19, 2017

December 12, 2017

Dear Dr. Landry, Dr. Stein, Dr. Nelson and Dr. Furis,

The Camille & Henry Dreyfus Foundation, Inc. is accepting nominations for the Camille Dreyfus Teacher-Scholar Awards Program, limited competition (see the description at http://dreyfus.org/awards/camille_dreyfus_teacher_award.shtml) with a deadline date of February 8, 2018. The University may put forward a single nomination for this award. Any nominee selected to move forward as UVM’s candidate will work together with the nominator to provide the various nomination materials that are due to the sponsor on February 8, 2018.

The Camille Dreyfus Teacher-Scholar Award provides a $75,000 unrestricted research grant. Funds are normally expended over a period of five years. Nominees must hold a full-time tenure-track academic appointment, and are normally expected to have been appointed no earlier than mid-year 2012 in academic institutions that grant a bachelor’s or higher degree in the chemical sciences, including biochemistry, materials chemistry, and chemical engineering.

If you would like to nominate someone for this award, please upload a Letter of Nomination as a single document file into UVM’s InfoReady Portal for Institutional Competitions (https://uvm.infoready4.com/). The Letter of Nomination should include a statement (no more than 2 pages) about why you deem the nominee to be a strong candidate for the award, and also include the nominee’s CV. The deadline for submitting Letters of Nomination through the InfoReady Portal is Tuesday, December 19, 2017 before 4:30 pm after which the Portal will automatically close. Letters of nomination will be evaluated on the following criteria: 1) nominee’s scholarly achievements; 2) nominee’s contributions to advance important knowledge in the chemical sciences; 3) nominee’s contribution to education in the chemical sciences, in particular undergraduates; and 4) nominees success in attracting research funding.

If the number of nominations exceeds the number allotted by the sponsor, selection of the candidate to move forward shall be made shortly thereafter. Please direct questions concerning this announcement to Hilda Alajajian (Hilda.Alajajian@uvm.edu).
