October 20, 2019

Dear Dr. Page,

HRSA is accepting applications for their Primary Care Training and Enhancement: Residency Training in Primary Care (PCTE-RTPC) Program (see the program webpage here) UVM may submit one application. The deadline is January 24, 2020. The program provides funding to enhance accredited residency training programs in family medicine, general internal medicine, general pediatrics or combined internal medicine and pediatrics in rural and/or underserved areas.

Dr. Richard Galbraith suggested I send this opportunity to you for targeting a potential candidate to move forward as UVM’s applicant. If you do identify someone, please let me know so I can notify the research administrators of the selected applicant.

If I can be of any assistance, please let me know.

Best regards,
Hilda
