Get Started

1. Contact SPA Research Administrator

SPA recommends you contact your assigned SPA Research Administrator at least four (4) weeks ahead of your sponsor deadline.

SPA Research Administrators

  Gretchen Argraves
  Karin Bourassa
  Julie Macy
  Joshua Tyack

2. SPA Research Administrator Services

  • Interpret the sponsor guidelines
  • Provide information for some of the application pages
  • Prepare the SPA Budget Worksheet (excel document)
  • Upload the sponsor guidelines to InfoEd (if there are any)
  • Convert final version of SPA Budget Worksheet to pdf format and upload to InfoEd
  • Preliminary review and approval of proposal at the start of the route
  • Final review and approval of final version of proposal at end of the route
  • Obtain UVM institutional approval signature

3. SPA InfoEd Support Team Services

  • How to upload your proposal document to InfoEd
  • How to complete the on-line Routing Form
  • How to electronically route the proposal
  • Provide help and training for InfoEd Proposal Development and Proposal Tracking systems

4. SPA Web Site

  • Submit Proposal steps can be located on SPA web site

### Assemble your Proposal Information

Before creating a proposal record in InfoEd, you should have ready some key pieces of information about your project. This information does not need to be final. After creating the proposal, you may continue to make changes until you are ready to submit.

To start your proposal in InfoEd, you must provide the following details:

- Principal Investigator
- USDA NIFA Funding Opportunity (Grants.gov Opportunity Number)
- Proposal Department
- Proposal Center/Program (if applicable)
- Proposal Type: New Proposal or Competitive Renewal
- Sponsor Name
- Project Title
- Project Start and End Dates
- Submission Deadline
- F&A Rate Type (Research on Campus, for instance)

Additional information specific to your USDA - National Institute of Food and Agriculture funding opportunity

- Will your proposal involve the use of human subjects?
- Will your proposal involve the use of laboratory animals?

If you have preliminary answers to all of the above, you are ready to begin.

New Proposal Questionnaire

The New Proposal Questionnaire takes you step-by-step through the essential details of your proposal. Answer each question with the most current information you have, then click “continue” to go on to the next question. Remember, you may still correct or change this information after you create the proposal.

Principal Investigator

The PI name will default to the name of whoever has logged in to InfoEd to create the proposal. If you are a PI starting your own proposal, your name should appear correctly at the top of the page (see below). If you are a Department Administrator creating a proposal on the PI’s behalf, you will need to change the name as follows:

1. Click the “Change” hyperlink.
2. Begin typing the PI’s name until the name appears in the drop-down list.
3. Select the name and click “Continue.”
4. If the PI name does not appear in the drop-down list, please contact SPA for assistance.
5. Click continue
**Select from Grants.Gov Opportunities**

1. Pick “Select from Grants.gov Opportunities” in pick list
2. Click Continue.

**Enter your USDA Funding Opportunity Number and Click Search (S2S button must be checked)**

1. Enter your USDA NIFA Funding Opportunity Number and Click Search
2. This will open a live web services link to Grants.gov website where you will be able to identify and select your funding opportunity.
3. The Search will bring up all opportunities that fit your criteria
4. Identify the right funding opportunity and then click the "Select" hyperlink to select your Opportunity Number

**Select Proposal Type**

1. Most proposals will be either a New Proposal - Master Record or a Competitive Renewal - Master Record.
2. Select the appropriate type and click “Continue.”
3. Note: If you are working with a Continuation or a Supplement on an existing award, please contact your SPA Research Administrator.
4. Click Continue
**Select Sponsor**

1. Start typing in National Institute of Food and Agriculture/Department of Agriculture.
2. The sponsor name will appear allowing you to select it.
3. Click Continue.
**Enter Project Title**
1. Enter proposal title with the major words capitalized. Please be sure there are no punctuation marks or extra spaces at the end.
2. Click continue.

**Enter Project Start and End Dates**
1. Enter the anticipated start and end date for your proposal and click “Continue.”
2. Be sure that your proposed start and end dates fall within the sponsor’s guidelines.
3. Click continue.
Confirm the Number of Budget Periods You Would Like
1. Confirm the number of budget periods is correct
2. Click continue

![New Proposal Questionnaire](image)

**Is all the above Information Correct?**
1. Review the information you provided in Questions 1 through 7
2. Use Back button at top right corner to step back though responses for any needed corrections.
3. Confirm the information you have entered or use the "Step back through responses" button to make corrections. Click Create Proposal button.

![New Proposal Questionnaire](image)

**InfoEd Proposal Number Assigned**
1. InfoEd will assign a new proposal number.
2. Write down the proposal number so you can easily find it later on.
Setup Questions Tab

The InfoEd “Setup Questions Tab” will prompt you for responses to the questions

**Submission Mechanism / Form Information**
1. Proposal Sponsor: Leave sponsor name set to National Institute of Food and Agriculture/Department of Agriculture
2. Submission Mechanism/Screen Template: Leave it set as 424 R&R (electronic submission)

**Grants.gov Submission Information**
1. Do not change the information in this section

2. Scroll down to Form section - The forms will auto populate based on the subsequent questions. Do not change the selections.
Deadline Information
1. InfoEd will guess at the right date, and is often wrong.
2. Enter the correct USDA NIFA deadline for submission

Deadline Information

General Proposal Properties
1. Answer Yes or No to these questions.

General Proposal Properties

Associate Department
The Associated Department will automatically default to the Principal Investigator's Home Department.

If the proposal should be setup up in a department other than the Principal Investigator's home department, click the Add button to add the correct department.

Then save the page, using the save button at top left corner.
Then click the radio dial to change the Associated Department to the new Department. Save the page again, using save button at top left corner.
Finally, use the "remove" button next to the incorrect department to remove it. There should only be one department listed here.

Associate Centers/Programs
The Associated Centers/Programs will automatically default to "None Identified".
For most proposals, you need not do anything else with this field. Leave it as "None identified."
However, if you intend to use the PeopleSoft "Program" Chartfield, click the Add button and locate the Center/Program from the list.

Then save the page, using the save button at top left corner.

If you cannot find the appropriate Center/Program, please contact SPA for assistance.

Budget Setup Information

Program Type - UVM F&A Rate
Select Program Type - Select from drop box the appropriate F&A Rate to be used.
If you don't know which F&A Rate Type to pick, contact SPA for assistance
Indicate whether the majority of the work will be done On Campus or Off Campus.
This should match the F&A Rate you selected above.

Save and Continue
Your proposal record is now set up and you can begin completing the rest of the tabs.
Click Save and Continue. The proposal Setup Questions are now complete.
This is the USDA NIFA Cover Page. Most of the information is automatically populated from the Principal Investigator’s InfoEd Profile and from the InfoEd Institutional Data. Populate the remaining fields and when done, click the "Completed" box at top right corner of Tab.
When the data is completed, click the "Completed" checkbox at top right corner of Tab.

PI information pulls from InfoEd profile. Click on Person’s name and it will open a box that will allows you to edit the data here.

Do not edit any of this data. Once the budget is entered on the Budget Tab, Box 15 will be populated.

Performance Sites Tab

List Performance Sites here

This Tab will automatically populate with UVM information.
If you have subcontracts, the Subcontract data will automatically pull in once the SPA Research Administrator enters the Subcontract budget data on the Budget Tab.
If you have additional Performance Sites, add them here.

When the data is completed, click the "Completed" checkbox at top right corner of Tab.
Start a New Proposal
USDA - National Institute of Food and Agriculture (System-to-System)

Internal Documents Tab

There are typically 2 or 3 documents uploaded at the bottom on this Tab.

1. SPA Routing Form (required)
   The Principal Investigator or the Department Administrator will open and complete the SPA Routing Form, which is now an electronic form embedded within InfoEd on the Internal Documents Tab.

2. SPA Budget Worksheet (required)
   The SPA Research Administrator work closely with Principal Investigator and Department Administrator to develop the proposal budget using the below excel SPA Budget Worksheet. Once the budget is completed, SPA will upload a pdf version of the spreadsheet to InfoEd.

3. Grants.gov Instructions - Gets pulled in automatically when you create the proposal

Once all required documents are uploaded, click the "Complete" box at the top right corner to the tab.
Your SPA Research Administrator will enter the budget details on this tab. The Principal Investigator will upload the Budget Justification on this Tab. When the data is completed, click the "Complete Budget" button at top right corner of Tab. Then click "Done" to close the window.

1) This page opens in a separate window.
2) Your SPA Research Administrator will populate the Budget Tab for you after you’ve reach agreement on the final SPA Budget Worksheet (excel worksheet).
3) You will then upload the Budget Justification in the tab called “Justifications” on the left navigation bar.
4) When the Budget figures are entered and the Budget Justification is uploaded, click the “Complete Budget” button at top right side of page. Then close this window.
Personnel Tab

After the SPA Research Administrator has entered the budget data on the Budget Tab, the Personnel tab will show a list of personnel. Please do not add personnel to this tab yourself. Instead, ask your SPA Research Administrator to add people, as necessary. Once the personnel appear on this tab, please upload the CV/Biosketch for all Key Personnel. Add the Current/Pending Support form for all required personnel. Refer to guidelines for specific requirements. When the data is completed, click the "Completed" checkbox at top right corner of Tab.
This tab contains each of the sponsor-specific forms you will need for your proposal submission. Click the "Edit" button to open and complete each of the forms. When you are done, click the Save button at top left corner of Tab. Then click the "Completed" button. Finally, click the "Done" button to close the window.

Finalize Tab - Submit for Internal Review

All Tabs must be "Completed" to Build PDF/Form Pages and to Assemble Application

1. Build PDF/Form Pages - this will take a few moments to complete

2. Assemble Application/Build Grants.gov Application - This will create a single pdf representation of the proposal called "Assembled Doc"

3. Click the "Submit Final Review" Thumbs Up to start the route
PI reads PI Certification - clicks "Accepted" - enters UVM Net ID at prompt - clicks Continue button
If a PI Delegate starts the route, the PI is obligated to send the PI Certification to SPA via email.
The PI Certification must be received in SPA before the proposal may be submitted to the sponsor.

**Lock Down - When Proposal is In Route, it is in “Lock Down” mode**

While the proposal in in route for approvals, it is in lock down mode and the Principal Investigator will no longer be able to edit the proposal in InfoEd.

We expect that the Principal Investigator will continue to tweak the proposal documents outside of the InfoEd system.

**Electronic Routing System - Review Dashboard - This is how Deans and Chairs Approve Proposal**

Chairs and Deans receive notification to review and approve your proposal in three different ways

1) UVM Email system

2) InfoEd My Messages (a back up method if the email is accidentally deleted)

3) InfoEd Action Items (another back up method if the email is accidentally deleted)
