Q. Why is the Sugarbush Premium Adult pass not an option in the Corporate program this winter?

A. Things are a bit different this winter as compared to the past. The formerly known Sugarbush Premium Pass for Adults has turned into an Ikon Adult season pass. This pass is not available for our retail guests as well as for the corporate pass program. The product has simply gone away. Of course, with the Value pass you can ski at Lincoln Peak before Mount Ellen opens and after it closes as well as mid-week non holiday timeframes. But yes, for weekend skiing and riding that would be at Mount Ellen. To review all pass options, please go to <https://www.sugarbush.com/plan/season-passes/>

Q. I am a repeat corporate pass holder. Why do I have to requalify/verify every year?

A. We need to confirm that you are still employed by a participating organization.

A. All Corporate Passes must be purchased by an eligible employee and use that eligible employee's company email address. This includes purchases for immediate family members.
