The Vermont Society of Engineers

Education and Research Foundation Scholarship

The Vermont Society of Engineers, seeking to encourage the development of Vermont’s next generation of talented and dedicated professionals, welcomes scholarship applications from deserving students enrolled in an Engineering curriculum at Norwich University, University of Vermont, and Vermont Technical College. Applicants must have graduated (or will have graduated) from a Vermont high school and must be in good academic standing. The amount of this scholarship is $2000 per year, payable in the 2018-2019 academic year. Applications must be processed through the school scholarship contact listed on page 2.

Name: ________________________________ Attending (circle one): Norwich, UVM, VTC

Address: ________________________________________________

________________________________________________________

E-mail: ________________________________________________

Most Recent Grade Point Average: ____________________________
