The Vermont Society of Engineers

Education and Research Foundation Scholarship

The Vermont Society of Engineers, seeking to encourage the development of Vermont’s next generation of talented and dedicated professionals, welcomes scholarship applications from deserving students enrolled in an Engineering curriculum at Norwich University, University of Vermont, and Vermont Technical College. Applicants must have graduated (or will have graduated) from a Vermont high school and must be in good academic standing. The amount of this scholarship is $2500 per year, payable in the 2020-2021 academic year. Applications must be processed through the school scholarship contact listed on page 2.

Name: ___________________________ Attending (circle one): Norwich, UVM, VTC

Address: __________________________________________________________

E-mail: ____________________________

Most Recent Grade Point Average: ____________________________
(Please indicate if GPA is for a semester or cumulative, college or high-school. A transcript is encouraged.)

Expected degree and date (i.e., BSME ’22): ____________________________

Name of High School Attended: ______________________________________

To help us get to know you better, please provide a brief essay (one page +/-) describing your interest in the field of engineering, and telling us how your personal and educational experiences are preparing you for your professional goals. (Please attach as separate sheet; a resume or other information is also welcome).

Please return to your Scholarship Contact listed below by May 10th
