

## Thomas J. Votta Graduate Scholarship

The Thomas J. Votta Memorial Fund is established by the friends and family of Tom Votta to be used to provide annual graduate level scholarship assistance to students who, like Tom, wish to make a difference in solving environmental problems, and using environmental best practices to meet this goal.

A scholarship in the amount of \$6,000 will be made available for the 2023-2024 academic year. **The deadline for receipt of all materials is 4:30 pm on March 1, 2024.** Applications for the Thomas J. Votta Scholarship are solicited from students meeting the following criteria:

### Eligibility

Applicants must be UVM graduate students studying environmental best practices combining **two or more** of the following areas of study:

1. Environmental Engineering
2. Environmental Science
3. Environmental Business

At one or more of the following:

1. College of Engineering and Mathematical Sciences (MS or PhD)
2. Rubenstein School of the Environment and Natural Resources (MS or PhD)
3. Grossman School of Business (MBA).

Students who already have a graduate degree in one of the listed areas of study and are now completing a graduate degree in one of the other listed areas are also eligible. If no student meets the full criteria the scholarship may be awarded to a student studying in one of the areas with the intention of using their newly gained knowledge to work in advancing environmental best practices.

Preference will be given to U.S. citizens residing in New England; if none, then a U.S. citizen residing in another U.S. state or territory; or if none, then any other student.

Selection of the scholarship recipient will be made by a faculty panel convened for this purpose by the Dean of the Graduate College.
