ReCap & Next Meeting		<ol style="list-style-type: none"> 1. Next Meeting 2. Recap any tasks 		5

ABOUT

Northeast Center to Advance Food Safety (NECAFS) is one of four FDA/USDA funded regional centers tasked with coordinating training, education and outreach related to the FSMA Produce Safety Rule and the FSMA Preventive Controls for Human Foods Rule. NECAFS work focuses on coordination and facilitation of the Northeast regional network to support a national food safety training, education, extension, outreach, and technical assistance system among small and medium-sized producers and small processors.
