

How to remain COVID-19 Compliant

with Carpools and Vanpools

Communicate!

- ✓ Feeling sick? **Stay home!**
- ✓ **Instigate conversations** with the other passengers about health, testing frequency and COVID comfort levels
- ✓ Be flexible with the amount of passengers - car/vanpools may need to **split into smaller groups**

Hygiene is key!

- ✓ **Wear a mask** to protect your fellow passengers
- ✓ **Create a Care Kit** for your vehicle with hand sanitizer, wipes and other disinfectants
- ✓ **Form healthy habits** - regularly wipe down seat belts, door handles, cup holders and consoles
