The cost is \$175.00 per family group (up to eight individuals). The fee covers your campsite for the weekend, instruction (three classes per camper), most class materials and equipment, and costs associated with organizing and putting this program together.

The registration deadline is August 18, 2024. Campsites and classes are available on a first-come, first-served basis. Each class has a limited number of spaces.

Confirmation packets are emailed after August 1, or you can ask to be sent a paper copy by mail. This will contain the class registrations for your entire family, your campsite assignment, and any changes that may have occurred. Please read the contents of your confirmation packet as soon as it arrives and contact us with any questions.

If you require an accommodation related to a disability, please contact Accessibility Services via email at access@uvm.edu (and copy Lisa Flinn at Lisa.Flinn@uvm.edu), or call (802) 656-7753 by Friday, August 16, 2024.

AGE LIMITS

Children ages 11 and younger must be accompanied by an adult **throughout the entire weekend at all classes and activities**. Participants 12 years of age and older may participate in classes without an accompanying adult, unless otherwise indicated in the class description.

Class Age Ranges: Many classes are recommended for certain ages. Shooting sports and boating classes have ***firm age limits***, and we cannot make exceptions to these for safety reasons.

NOTE: For purposes of this program, age is determined by a person's age ***as of January 1, 2024***.

CANCELLATION POLICY

If you cancel on or before August 18, you will receive a full refund less an administrative fee of \$50.00. Any cancellation after August 18 receives no refund, although you may substitute another family in your place. You must provide the substitute family information at the time of your cancellation. The substituting family will replace your family in the classes you signed up for, although some changes may be possible depending on class space availability.

EXTENDED FAMILY

One family of up to eight (8) people will be assigned to each campsite. If you have more than eight family members attending, you must register and pay for an additional, separate family campsite. You may request adjoining campsites on your registration form. We will do our best to accommodate your request, but can make no guarantee about your campsite request. Campsite assignments are made on a first-come, first-served basis as are class assignments.

FISHING LICENSES

Anyone age 15 or older must hold a current Vermont Fishing License to fish during leisure time. No license is required for campers ages 14 or younger. The *Let's Go Fishing* clinic does not require a license.

If you want a license, we encourage you to purchase it in advance from the Vermont Fish and Game website (<https://vtfishandwildlife.com/licenses-and-lotteries/license-center>) or you may purchase one at the Stillwater Ranger Station. Trout, bass, perch and sunfish are plentiful in the park, so bring a fishing rod and tackle.

ABOUT THE PARK and CAMPSITES

Stillwater State Park is located in Groton State Forest in Groton, Vt. (between Montpelier and St. Johnsbury). Visit the Vermont State Parks website (<https://vtstateparks.com/stillwater.html>) for information and directions.

Stillwater State Park is a developed campground with flush toilets and hot showers. You will need quarters for the showers. Cell phone service is spotty to nonexistent in Groton State Forest. We do the best we can in advance, but please understand that some adjustments may be necessary at check-in. There are no water, sewer or electrical hookups for RVs. There is a dump station near the park entrance.

CHOICE OF ADDITIONAL NIGHT STAY
