Research Development

Jeralyn Haraldsen, PhD

Director

The University of Vermont

Research Development

- **Communicate funding opportunities**
- **Manage Limited Competition process**
- **Provide Grant Proposal Development Support**
- **Develop Grant Writing Resources, Programs, Tools**

Research Development: Our Team

Jeralyn Haraldsen, PhD
Director

Gagan Bajaj, PhD
LCOM: Proposal Developer

Ingrid Barcelo, PhD
Grant Proposal Developer

Erin McConnell, MS
CEMS/CAS: Proposal Developer

Heidi Malaby, PhD
Grant Proposal Developer

Jeannine Valcour, MA, MBA
Gund Institute: Proposal Developer

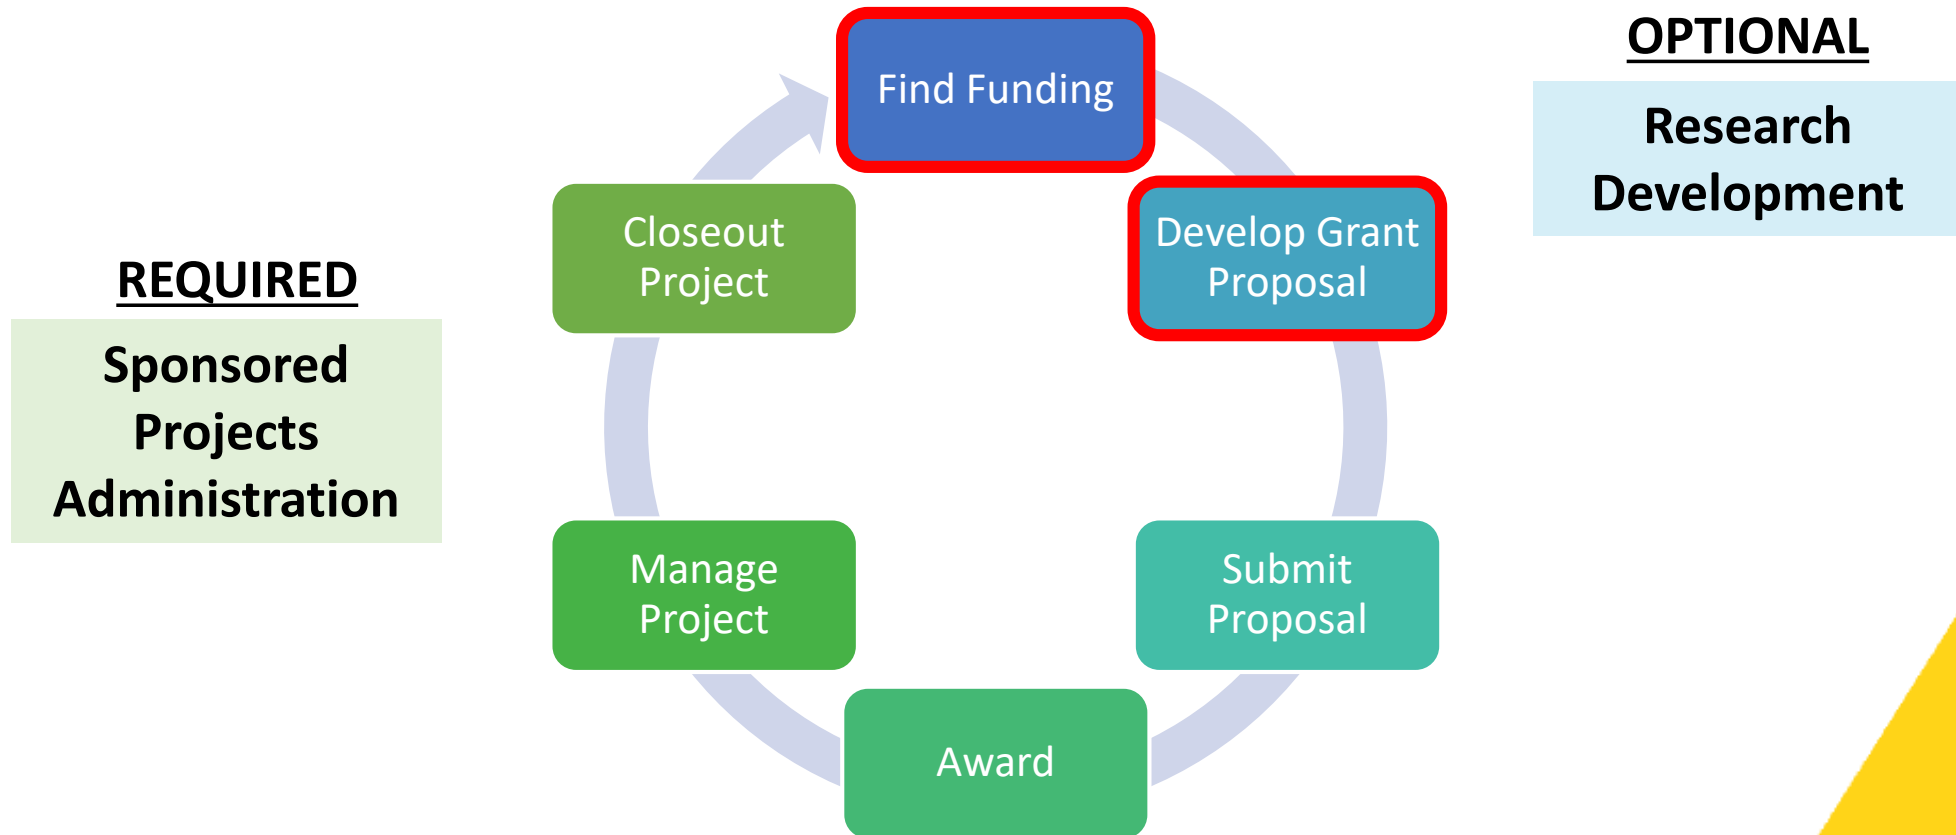

Cailey Biles, MLIS
Grant Resources Coordinator

TBD
RSENR: Proposal Developer

Where Does Research Development Fit In?

Research Proposal Development

- **Grant proposal review and grantsmanship critique**
 - Annotated feedback and suggestions
 - Review for responsiveness to RFA, and/or reviewer critiques
- **Grant proposal writing assistance and editing**
 - Substantive editing of draft text
 - Editing to improve clarity and flow, formatting and presentation
 - Assist with drafting non-technical proposal components
- **Project Management for proposal preparation**

How Are Research Development Services Prioritized?

Factors taken into consideration include:

- **New faculty member, or new to grant writing**
- Large, complex, multidisciplinary
- Alignment with areas of institutional priority
- Timeliness of request
- Current and projected workload of grant proposal developers

How to Request Research Development Support

- Initiate contact early – **6-12 weeks in advance*** of your deadline
- Email **request** or **complete intake form** on website with info about **funding opportunity** and **deadline**
- Set up a phone call or coffee meeting:
 - Meet our team – tell us about your research!
 - Help with using Pivot funding search database
 - New to grant writing or need help navigating the process
 - Early consult to answer questions or if unfamiliar funding agency
