Learn the art and science of equine reproduction through two days of lectures and hands-on demonstrations.

From the ethics of breeding, mare and stallion management, breeding techniques & training methods, to foaling and neonatal care, this workshop is a thorough education and valuable experience.

Friday lectures will be held on UVM’s campus in Burlington, VT.

Saturday’s hands-on practical will be held at the UVM Morgan Horse Farm in Weybridge, VT.

All levels of experience welcome.
