UVM Morgan Horse Farm
STALLION STATION CONTRACT

This contract is for the 2017 breeding season, made and entered into by and between:

OWNER: ____________________________________________
_________________________________________________
_________________________________________________
Phone:_________________day/___________________evenings

and the UVM Morgan Horse Farm, 74 Battell Drive, Weybridge, VT  05753

This contract covers:
STALLION: _____________________________ Breed:_______________________
Date of Birth: _______________________ Registration #:_________________
Sire: ______________________________ Dam:_________________________
Arrived on Farm: _________________ Departed: _________________
Type of care desired:_________________________________________________
________________________________________________________________
________________________________________________________________

1. Application for Stallion Station Service must be made in advance. Please call the Farm prior to delivery of Stallion. Farm phone 802-388-2011; Steve Davis’ cell phone 802-355-3564; Farm email address uvm.morgans@uvm.edu. Stallions will not be accepted on the farm prior to March 15 or after July 15.

2. A veterinarian’s certificate of health must accompany all horses at time of arrival at the farm. Included must be proof of vaccination against Eastern Equine Encephalomyelitis, and a negative Coggins test plus flu, rhino and rabies vaccinations.

3. RATES: The collection fee is $200. Board for Stallions left at the Farm is $25.00/day – payable before the Stallion is released from the Morgan Horse Farm. All blacksmith and/or vet expenses the Stallion incurs while at the Farm will be charged to the Owner – payable before the Stallion is released from the Morgan Horse Farm.
4. Collection fee includes collection, evaluation and processing of semen. Fee includes the use of one Equitainer for shipping. An additional fee of $100/hr may be charged if stallion requires longer than 45 minutes to become oriented to the phantom or to collect. Additional inseminations processed from one collection will be charged at $50/dose. Stallion owner is responsible for mare recipient contracts/fees and liability and Equitainer liability. Price does not include shipping fees.

5. Should the Stallion Owner not pay any charges or fees due under the obligation of this contract, the UVM Morgan Horse Farm reserves the right to claim the horse (should the services rendered equal the evaluation of the animal) or demand payment.

6. The University of Vermont Morgan Horse Farm and its employees are not liable for any loss of, or damage sustained by, an outside stallion. Privately owned stallions should be insured by the owner, and proof of the same is required at time of arrival. The client is exempt from liability in the event that the client’s horse causes property damage to the facilities or physical injury or death to any personnel while at the UVM Morgan Horse Farm.

I, ______________________________, the undersigned, agree to the aforementioned stipulations. Also, I release the University of Vermont Morgan Horse Farm and it’s employees/associates and the State of Vermont from any liabilities relative to any animal(s) that I have entered under these terms.

Stallion Owner: ______________________________ Date: ________________
