POLICY

Title: Weapons

Policy Statement

The possession of weapons, as defined herein, as well as replicas or facsimiles thereof, is prohibited on UVM property and facilities--including residence halls, grounds, leased spaces, and personal vehicles in UVM parking lots. The use of implements or substances not commonly used as a weapon may be a violation of this policy if used as a weapon. The use of a spray irritant, commonly referred to as pepper spray, will not be a violation of this policy if used solely for self-defense. Exceptions may be made with permission from the Chief of Police or designee for academic or other legitimate purposes. Certified Law Enforcement Officers may wear a firearm or other weapon while on campus in accordance with appropriate federal, state, local law and their department policy, rules and regulations.

Reason for the Policy

Policies and procedures exist to promote campus safety, security and health; to ensure compliance with Federal, state, and local laws and regulations; and to promote the fair, equitable, and efficient operations of the University.

This policy advances campus safety and ensures compliance with applicable laws and regulations.

Applicability of the Policy

Policies and procedures apply to all University of Vermont faculty, staff, students, visitors, and guests. Any exceptions will be noted in the applicable policy or procedure document.

Definitions

*Weapons* any object or substance designed or used to inflict a wound, cause injury, or incapacitate, including but not limited to all weapons, pellet guns, air pistols, air rifles, any dirk, bowie knife, switchblade knife, ballistic knife, or any other knife having a blade of three or more inches, black jacks, metal knuckles, nunchaku, fireworks, explosives and biological agents.

Procedures

Requests for exception must be made in writing to the Chief of Police and contain:

1. Name and contact information of person(s) requesting exception.
2. Detailed reason for request.
3. Exact description of weapon(s) under consideration.

4. Location where such items will be present, for how long, and what security measures will be taken to ensure safety.

All decisions are final.
