

# Carter Purple (He/him)

Hi everybody! My name is Carter Purple, I am a first-year student here at UVM. I'm currently a senator with SGA, I loved the experience and the work we did so I'm running again! Here's a little bit about me, and why you should vote for me to continue my time on SGA:

About me:

- I'm from Westford, MA, about 40 minutes northwest of Boston
- Currently studying history with the hopes of becoming a teacher
- A few of my favorite things are mountains, sunsets, and the Cincinnati Bengals

What I've accomplished on SGA:

- As a member of the Club Affairs Committee, I've recognized five new clubs - Game Development, Sephardi House, Warhammer Club, Institute of Transportation Engineers, and Crypto and Defi Club!
- Along with COLCA, I helped to organize and host a public forum with the Burlington Police Department
- With my committee, we organized and put on multiple events such as a mandatory sexual assault training for club signers and MARCH, a night celebrating women and gender equity in leadership - shoutout fellow candidate Riley O'Hagan for her incredible work on that!

What I hope to accomplish next year:

- I'm aiming to take a more involved role in SGA next year, now that I've served for a year and understand what the job entails I feel I truly can step up in terms of what I can accomplish. That includes:
  - Running for a position on the executive board
  - Continuing to approve new clubs
  - Expanding accessibility, particularly in the outdoors and for clubs

Thank you all so much for taking the time to read my platform! It would mean the world to me if I earned your vote. At the end of the day, senators represent YOU, and if I'm elected I want to - and expect to - hear from all of my fellow students! What frustrates you? What do you want to see changed? I hope that whether I'm elected or not, you utilize SGA as a way to see the change that you want on campus. That is what we're here for, after all.

Thank you so much, and vote Purple!
