I’ve served as your senator for over a year! What does this look like?

- Served as your student representative on the budget, finance, & investment committee on the board of trustees
- Currently serving as a member of the public relations committee, as well as finance, where I advocate for student representation across campus through increasing engagement with SGA initiatives
- Assessed the impact of the university on student experience on the SGA strategic planning committee, to hold UVM accountable for their actions on the community.

Goals for next year?
- To increase financial literacy amongst students to encourage self-advocacy
- To expand engagement with SGA initiatives and to establish a sustainable metric analysis to help student leaders in the future.

I am grateful for your support and the opportunity to lead!
