

Vote Luke Michael for SGA Senate!

First, a little about me:

Hello Catamounts!

I am a sophomore student and business major/economics minor here at UVM. I am also an ROTC cadet, member of the debate team and part of the beekeeping club! I believe that the quality of any organization stems a lot from its leadership. If elected, please be assured that I will be honest, accessible, and hardworking for you, my fellow UVM students!

Why vote for me?

Experience in public speaking: As a member of the debate team, I have experience advocating for and defending against differing positions. This requires strong listening, reasoning and speaking skills, which will directly correlate during **SGA** meetings.

Availability: I believe the purpose of the **SGA** is to serve the students at **UVM** by ensuring their opinions and concerns are heard. To do this, I will consistently provide time to be available to discuss your thoughts and feedback for the **SGA**. My phone number is 802-598-4983 and my email is luke.michael525@gmail.com, feel free to reach out!

Leadership Experience: Through being captain of my high school soccer team to ensuring forest trails and bridges were built on time when I was a crew captain in the Vermont Youth Conservation Corps to now, most importantly as an ROTC cadet; I have learned that strong leadership means empowering others, having high integrity, and communicating effectively. I will strive to use my past experiences and embody these traits while serving as your **SGA** senator.

**Be sure to vote this Thursday to Friday
at UVM clubs!**

I appreciate your support!
