

RE-ELECT
ELI SMITH
SGA SENATE

TRANSPARENCY

The SGA is meant to represent YOU, so it's time to get better at keeping you informed about our activities. Through my service on the public relations committee, I'll work to get better access to senate meetings and summarize the month in our newsletter.

STUDENT OUTREACH

As representatives of the student body, we need to communicate better with the people we represent. On my committee, I plan to help organize consistent tabling at the Davis Center as well as put together other opportunities for student outreach.

REACH OUT

My overall goal for this upcoming term is to communicate more with students. Feel free to reach out to me at any time! You can shoot me an email at elijah.smith@uvm.edu or just DM me.
