SPEAKING TRUTH TO POWER
I will not only use my voice to advocate FOR the student body, but I will advocate WITH you. Whether that is going to rallies or protests, accompanying students to Title IX meetings, connecting students with administrators, I will stand with you.

SEXUAL MISCONDUCT + TITLE IX
As a survivor of sexual violence, I have gone through the Title IX system at UVM, leading me to create the Explain the Asterisk campaign, aimed at creating transparency within college administration processes. Since then, I have heard countless stories of people like me who felt betrayed and re-traumatized by a broken system, a system that was designed to be oppressive. This is why reforming UVM's sexual misconduct and Title IX policies is at the forefront of my campaign. I believe we can make real change by using our lived experience to speak truth to power.

SYD FOR SGA
ADVOCATING FOR YOU, WITH YOU.

ABOUT ME
- I'm a junior social work major, with a minor in speech and debate
- My freshman year, I started a legislative campaign called Explain the Asterisk, aimed at creating transparency within institutions and preventing sexual and domestic violence.
- I have the cutest mini goldendoodle named Charlie!

SEATS AT THE TABLE
Though those of us elected to SGA are meant to represent the study body, it is my belief that everyone who wants a seat at the table where decisions are being made, gets a seat at that table at any time. As someone who has been critical of SGA in the past, I really want student activists (and others) to feel they're being listened to and work with them to meet collective goals.
