Hello! My name is Sam Pasqualoni and that is my dog, Henry. I am a sophomore neuroscience major and English minor who is seeking reelection to specifically the Academic Affairs Committee on the SGA. I was most recently involved with getting the pass/fail option available for students this semester by passing resolutions in the faculty senate.

Here are some of my ideas:

- Pursue further reimbursement from UVM
- Support/lead divestment efforts
- Pressure administration to implement universal peer advising
- Push earliest finals later than 7:30 AM
- Increase transparency within SGA
- Increase CAPS capacity
- Promote dining equity
- Get textbook and syllabus information published before course registration.
- Amplify student voices
- Promote collaboration between clubs and organizations
- Hold administrators accountable

Please consider voting for me on April 8th-9th

Please get in touch so I can hear from you at sjpasqua@uvm.edu or 6033808009!
