Calendar March 2020 – cancellations began March 8<sup>th</sup>

# Covid Hit

- We needed to take a breath, re-group and identify protocols

Needed to determine what we could clean and what we couldn't

- Used CDC guidelines for cleaning products
- Washed linens in hot water
- Locked up toys and extra amenities
- Made sure guests knew what we could and couldn't do, especially regarding the barn

## Farm Stay

**Notice: We are once again accepting bookings for stays and tours and are instituting a number of safety measures on the farm to keep our guests safe. We'll be waiving our 21-day cancellation policy for reservations until further notice, with the understanding we may find it necessary to cancel reservations if things change. Please call 541-487-4966 (Pacific) with questions.**

Leaping Lamb  
PADI STAY  
Mt. Oregon

It's about setting and managing expectations

Giving guests room to relax and run around

To hike in the woods to the fairy houses

# We also came up with new business ideas...and saw old ones increase in interest

## Produce & Pasture-Raised Meats

We have limited quantities of pasture-raised meats for sale, as well as produce from the garden. Learn about our practices!

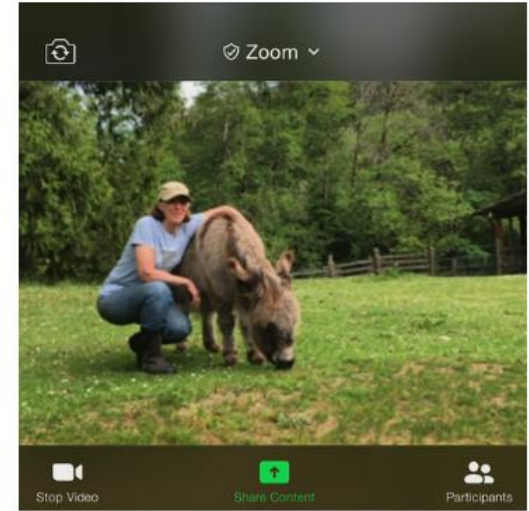

[Learn More](#)

## Activities On & Off the Farm

There's plenty to keep you busy both here on the farm and in the surrounding area. Where will your day take you?

[Plan Your Stay](#)

## Live Virtual Farm Tours

While we enjoy giving tours in person, we also love to brighten up a classroom or a boardroom... even a living room!

[Request a Live Virtual Tour](#)

Our goal is to weather the storm

With better protocols for safety

- Even when Covid is a thing of the past

So we can continue to offer this!
